

Manage your pharmacy plan on myCigna

myCigna is your “go to” for everything you need to know about your plan coverage.

See which medications your plan covers. You have hundreds of generic, preferred brand and non-preferred brand medications to choose from.

Compare your medication costs. When you and your doctor are considering the right medication for your treatment, knowing how much it costs, what lower-cost alternatives are available and which pharmacies offer the best prices can help you avoid surprises. Use the Price a Medication tool to see how much your medication costs before you get to the pharmacy counter – or even before you leave your doctor’s office.¹

Easily manage all of your prescriptions on the My Medications page.
