

Remember to use your Flexible Spending Account

Did you know your Flexible Spending Account (FSA) can be used for more than copayments?

Save throughout the year by using your FSA to purchase from hundreds of eligible products and services, including:*

- Acupuncture
- Ambulance
- Birth control pills/prescription contraceptives
- Chiropractor
- Contact lenses
- Dental treatments
- Hearing aids
- Medicines (prescribed)
- Nursing home medical care
- Optometrist
- Orthodontia
- Oxygen
- Prescription eyeglasses/eye surgery
- Stop-smoking programs

**For a full list of eligible items, visit www.irs.gov/publications/p502.*

Don't run out of time!

Your plan includes a carry-over provision so you can carry over up to \$500 in unused funds to the next plan year.

Be sure to use your FSA dollars in excess of \$500 before the end of your plan year, or you'll lose them.
