We've Got You Covered

From updating membership to receiving and paying VSP invoices online, we've got you covered with online tools available in our Manage Your Plan section.

With the VSP online Eligibility Management Tool you can instantly add, update, or remove enrollment for your employers and members.

You'll be able to access your bill and make a payment online. We will also notify you via email when your bill is available.

You must be registered to enjoy this convenience. To register, visit **vsp.com**.
