The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost **4** for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, www.bcbsvt.com/standard-cert. For general definitions of common terms, such as allowed amount, balance billing, co-insurance, co-payment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at http://www.bcbsvt.com/glossary or call (800) 255-4550 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <b>deductible</b> ?	\$4,000 individual / \$8,000 family stacked. <u>Co-insurance</u> and <u>co-payments</u> do not apply to the <u>deductible</u> .	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount each <u>plan</u> year before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . Your <u>plan</u> year: 01/01/2023 through 12/31/2023.
Are there services covered before you meet your <u>deductible</u> ?	Yes, <u>preventive care</u> , office visits, <u>urgent care</u> , <u>emergency medical transportation</u> , dental class I, generic <u>prescription drugs</u>	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>co-payment</u> or <u>co-insurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other <b><u>deductibles</u></b> for specific services?	Yes. \$500 individual / \$1,000 family prescription drug <u>deductible</u> . Does not apply to generic drugs.	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	<ul> <li>\$9,100 individual <u>plan</u>. Family plans have an individual <u>out-of-pocket limit</u> of \$9,100 and \$18,200 family stacked. <u>Prescription drugs</u>: \$1,400 individual <u>plan</u> /</li> <li>\$2,800 family. Medical and prescription drug out-of-pocket limits are combined.</li> </ul>	The <u>out-of-pocket limit</u> is the most you could pay in a <u>plan</u> year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own out-of- pocket limits until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <b>out-of-pocket limit</b> ?	Premiums, <u>balance-billing</u> charges, adult vision care, adult dental services and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.bcbsvt.com/findadoctor or call (800) 255- 4550 for a list of <u>network</u> providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider</u> 's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). For certain <u>emergency services</u> and/or services at an in-network hospital or surgical center (as explained below), the maximum amount you may pay is the <u>plan's in network cost-sharing</u> amount. In these circumstances, the providers cannot balance bill you. Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
