Your insurance has been designed to provide financial help for you when a covered loss occurs. Your employer has chosen benefits provided by a Group Policy issued by Us, Principal Life Insurance Company. To the extent that benefits are provided by that Group Policy, the administration and payment of claims will be done by Us as an insurer.

Members rights and benefits are determined by the provisions of the Group Policy. This booklet briefly describes those rights and benefits. It outlines what you must do to be insured. It explains how to file claims. It is your certificate while you are insured.

THIS BOOKLET REPLACES ANY PRIOR BOOKLET THAT YOU MAY HAVE RECEIVED. If you have any questions about this new booklet, please contact your employer. In the event of future changes to your coverage, you will be provided with a new booklet-certificate or a booklet-certificate rider.

If you have an electronic booklet, paper copies of this booklet-certificate are also available. Please contact your employer if you would like to request a paper copy.

PLEASE READ YOUR BOOKLET CAREFULLY. We suggest that you start with a review of the terms listed in the **DEFINITIONS** Section (at the back of the booklet). The meanings of these terms will help you understand the insurance.

This booklet describes all the benefits available under the Group Policy underwritten by Us. However, if you have elected to not accept any available benefits, those benefits described in this booklet will not apply to you.

The group insurance policy and your coverage under the Group Policy may be discontinued or altered by the Policyholder or Us at any time without your consent.

DENTAL EXPENSE INSURANCE

This section highlights the benefits provided under this insurance. The purpose is to give you quick access to the information you will most often want to review. **Please read the other sections of this booklet for a more detailed explanation of your benefits and any limitations or restrictions that might apply.**

If you or one of your Dependents receive dental Treatment or Service listed under the Schedule of Dental Procedures, Scheduled Benefits then in force will be payable. Scheduled Benefits are based on your class and the status of your Dependents:

Class	Scheduled Benefit
Members and their Dependent spouses	All benefits for Covered Charges under Dental Care Units 1, 2 and 3.
Dependent Children	All benefits for Covered Charges under Dental Care Units 1, 2, 3, and 4.

Preferred Provider Organization (PPO) Plan

Your Policyholder participates in a Preferred Provider Organization (PPO) Plan administered by Us.

As you may know, Preferred Provider Organization (PPO) Plans are arrangements whereby Dentists are contracted to furnish, at negotiated costs, dental care for the employees and their Dependents of participating Policyholders.

It is expected that your Policyholder's participation in the PPO will result in significant savings of funds needed to maintain your insurance. These savings are to be passed on to you in the form of higher plan benefits payable for services received by you or a Dependent from Preferred Providers.

Please note that your Policyholder's participation in the PPO does not mean that your choice of provider will be restricted. You may still seek needed dental care from any Dentist you wish. However, in order to avoid higher charges and reduced benefit payments, you are urged to obtain such care from Preferred Providers whenever possible.

A current listing of the participating providers is available through an on-line Preferred Provider directory. By accessing the Principal Life Insurance Company website www.principal.com, you can review preferred provider directories for your PPO Network. Click on "Provider Directory," then "Search for a Dental Provider," then you can continue to follow the prompts to find your PPO network. If you do not have Internet access, you can request a paper copy of the provider directory for your PPO network from (800) 554-3392 for dental providers. Whether using the Internet or a paper directory, we recommend that you (1) verify your provider's participation in the network before seeking treatment and (2) confirm PPO participation with your provider when making your appointment.

Dental Care Units

The type of Treatment or Service covered under each of the Dental Care Units is:

Preventive Procedures	Unit 1
Basic Procedures	Unit 2
Major Procedures	Unit 3

Benefits Payable

Benefits payable for each insured person will be the percent of Covered Charges shown below, and will vary depending upon whether or not needed care is received from a Preferred Provider.

Covered Charges will be the actual cost charged to you or your Dependent for Treatment or Service for the listed procedures shown in the SCHEDULE OF DENTAL PROCEDURES Section but only to the extent that the actual cost charged does not exceed Prevailing Charges.

Dental benefits payable for Treatment or Services received will be:

Service	PPO Providers	Non-PPO Providers

Deductible Amount(s)

- You pay an individual Deductible Amount for each insured person for dental Treatment or Service received under each Dental Care Unit for a Calendar Year. The individual Deductible Amount will be the amount shown above. After you satisfy the Deductibles, We will pay Covered Charges at the rate indicated for each Dental Care Unit.
- For each Dental Care Unit, Covered Charges used to satisfy the Deductible that is applicable when care is received from Non-Preferred Providers for the Calendar Year will be counted toward satisfaction of the Deductible that is applicable when care is received from Preferred Providers for the Calendar Year, and vice versa.
- In no event will the individual Deductible for combined Preferred Providers and Non-Preferred Providers be more than the Non-Preferred Providers Deductible Amount for the Calendar Year.
- Charges are applied to the Deductible Amount in the order in which they are incurred. However, if Covered Charges are incurred for Units 2 and 3 on the same date, the charges will be applied to the Deductible Amount in the following order:
 - first, to Unit 2 charges; and
 - then, to Unit 3 charges.
- In place of individual Deductibles, a family maximum Deductible may be applied. When this family maximum is satisfied for a Calendar Year, Dental benefits will be payable as if the individual Deductibles had been satisfied for each person in your family. The family maximum Deductible each Calendar Year will be the amount shown above (but not counting more than the individual Calendar Year Deductible Amount for any one person in your family).

Maximum Payment Limit

(Applies to combined charges for Treatment or Service received from Preferred Providers and Non-Preferred Providers.)

The Dental Maximum Payment Limits for you and for each of your Dependents will be:

- Dental Care Units 1, 2, and 3 \$1,200 each Calendar Year for dental care received from Preferred Providers and \$1,200 for Non-Preferred Providers (in combination); and
- Dental Care Unit 4 \$1,750 per lifetime for dental care received from Preferred Providers and \$1,750 for Non-Preferred Providers (in combination).

Covered Charges used to satisfy the maximum that applies when care is received from Preferred Providers will be used in combination with care received from Non-Preferred Providers to satisfy the maximum.

For Dental Care Unit(s) 1, 2 and 3, at the end of each Calendar Year, if you or your Dependent have:

- received at least one procedure performed during that Calendar Year; and
- used \$600 or less of benefits during the Calendar Year;

the balance of any unused benefits or any difference between paid claims and up to 50% of \$600 for each insured person will carry-over ("roll-over") into the next Calendar Year. These benefits will be combined with the Maximum Payment Limit for the current Calendar Year and will be payable at the same level up to a maximum amount of \$1,200. In the event that an insured person does not receive at least one procedure in any year, any current or previous amount carried over for that insured person would be forfeited.

This carry-over provision does not apply:

- during the first Calendar Year for any individual having an initial coverage effective date in October, November or December; or
- until all waiting periods have been satisfied.

Benefit Advice

A benefit consulting service is available for you and your Dependents to provide information about the best use of your dental benefits. Examples of information you may find helpful include:

- general information on types of services offered by various dental care providers; and
- specific information such as benefits available for a particular dental procedure.

Call Our toll-free number (see your ID card or your employer for the number to call) if you wish to discuss dental benefits with Our benefit consultants.

HOW TO BE INSURED - MEMBERS

DENTAL EXPENSE INSURANCE

Eligibility

To be eligible for insurance you must be a Member.

Member means any PERSON who is a Full-Time Employee or Part-Time Employee of the Policyholder.

If you are a Member on October 1, 2022, you will be eligible on that date.

If you are not a Member until later, you will be eligible on the date you begin Active Work.

If you elect to waive insurance under the Group Policy because you are covered under group dental expense coverage or coverages provided by your Dependent's employer, the date such coverage terminates because your Dependent is no longer eligible under his/her employer's coverage will be considered the date you are eligible to request insurance as described in this section.

Effective Dates - Actively at Work

If you are not Actively at Work on the date your insurance would otherwise be effective, your insurance will not be in force until the day you return to Active Work.

This Actively at Work requirement will be waived for you if:

- you are absent from Active Work because of a regularly scheduled day off, holiday, or vacation day; and
- you were Actively at Work on your last scheduled work day before the date of your absence; and
- you were capable of Active Work on the day before the scheduled effective date of your insurance or change in your insurance, whichever is applicable.

Individual Incontestability and Eligibility

All statements made by any person insured (you or one of your Dependents) will be representations and not warranties. In the absence of fraud, these statements may not be used to contest the insured person's insurance unless:

- the insurance has been in force for less than three years during the insured person's lifetime; and
- the statement is in Written form Signed by the insured person; and
- a copy of the form which contains the statement is given to the insured person or the insured person's beneficiary at the time insurance is contested.

However, the above will not preclude the assertion at any time of defenses based upon the person's not being eligible for insurance under the Group Policy or upon other provisions of the Group Policy.

In addition, if a person's age is misstated, We may, at any time, adjust premiums and benefits to reflect the correct age.

Effective Date for Noncontributory Insurance

Insurance for which you contribute no part of the premium will become effective on the date you are eligible.

Effective Date for Contributory Insurance

If you are required to contribute towards the cost of your insurance, you must request insurance in a form approved by Us. The requested insurance will become effective on:

- the date you are eligible, if the request is made on or before that date; or
- the date you are eligible, if you make your request within 31 days after the date you are eligible; or
- the Policy Anniversary date following the date of your request, if you make your request more than 31 days after the date you are eligible.

However, if you are not Actively at Work on the date insurance would otherwise be effective, your insurance will not be in force until the date you return to Active Work.

Annual Enrollment Period

An Annual Enrollment Period will be available for any Member or Dependent who failed to enroll:

- during the first period in which he or she was eligible to enroll, or during any subsequent Special Enrollment Period as described below; or
- during any previous Annual Enrollment Period; or
- within 31 days after the termination date, if the individual was previously insured under the Group Policy but elected to terminate the insurance.

To qualify for enrollment during the Annual Enrollment Period, you or your Dependent:

- must meet the eligibility requirements described in the Group Policy, including satisfaction of any applicable waiting period; and
- may not be covered under an alternate dental expense coverage offered by the Policyholder, unless the Annual Enrollment Period happens to coincide with a separate open enrollment period established for coverage election.

The Annual Enrollment Period is generally the one-month period immediately prior to the Policy Anniversary date or another period of time requested by the Policyholder and approved by Us.

The effective date for any qualified individual requesting insurance during the Annual Enrollment Period will be the Policy Anniversary date following completion of the Annual Enrollment Period provided contribution has been received for the requested insurance.

Court Ordered Coverage Under a Qualified Medical Child Support Order (QMCSO) or National Medical Support Notice (NMSN): This section will apply to you or your Dependent Child if:

- you are enrolled (or eligible to be enrolled but have failed to enroll during a previous enrollment period); and
- you failed to enroll your Dependent Child during a previous enrollment period; and
- you are required by a QMCSO or NMSN as defined by applicable federal law and state insurance laws to provide dental coverage to your Dependent Child.

The request for enrollment:

- may be made at any time after the issue date of the QMCSO or NMSN; and
- will apply only to you and/or your Dependent Child(ren) listed in the QMCSO or NMSN.

If the Policyholder offers employees a choice among dental benefit coverages, you may elect to transfer from another of the offered coverages to coverage under the Group Policy when requesting enrollment due to a QMCSO or NMSN.

The effective date for your or your Dependent Child's insurance:

- will be the date of the request for enrollment; and
- will not be subject to the Actively at Work provisions described in this section.

A request for enrollment for any Dependent not listed in the QMCSO or NMSN will be subject to the regular effective date provisions of the Group Policy.

A copy of the procedures governing qualified medical child support orders (QMCSO) can be obtained from the plan administrator without charge.

Special Enrollment Period

A Special Enrollment Period, as described below, will be available for you or your Dependent if enrollment is made after the first period in which you or your Dependent are eligible to enroll.

The Special Enrollment Periods are:

- Loss of Other Coverage: A Special Enrollment Period will apply to you or your Dependent if all of the following conditions are met:
 - (i) the individual was covered under another group dental expense coverage at the time of his or her initial eligibility, and declined enrollment solely due to the other coverage; and
 - (ii) the other coverage terminated due to loss of eligibility (including loss due to divorce or legal separation, death, termination of employment or reduction in work hours, or if the other coverage was under a COBRA or state continuation provision, due to exhaustion of the continuation); and
 - (iii) request for enrollment is made within 31 days after the other coverage terminates.

The effective date of insurance will be the date of the request for enrollment provided contribution has been received for the requested insurance.

NOTE: For the purpose of (ii) above:

"Loss of eligibility" does not include:

- (i) a loss due to failure of the individual to pay premiums on a timely basis or termination of insurance for cause (such as making a fraudulent claim or an intentional misrepresentation of a material fact in connection with the dental expense insurance); or
 - (ii) a loss due to a spouse's voluntary termination of his or her dental expense coverage; or
 - (iii) a loss due to a spouse's voluntary termination of his or her Dependent dental expense coverage.
- Newly Acquired Dependents: A Special Enrollment Period will apply to you or your Dependent if:
 - (i) you are enrolled (or are eligible to be enrolled but have failed to enroll during a previous enrollment period); and
 - (ii) a person becomes your Dependent through marriage, birth, adoption or Placement for Adoption; and

- (iii) request for enrollment is made within 31 days after the date of the marriage, birth, adoption or Placement for Adoption, or the date Dependent Dental Expense Insurance is available to the Member under the Group Policy, if the request is made on or before the event or within 31 days after the event.

The effective date of your or your Dependent's insurance will be:

- (i) in the event of marriage, the date of such marriage; or
- (ii) in the event of a Dependent Child's birth, the date of such birth; or
- (iii) in the event of a Dependent Child's adoption or Placement for Adoption, the date of such adoption or Placement for Adoption, whichever is earlier.

Effective Date for Benefit Changes

A change in your Scheduled Benefits amount because of a change in your status (insurance class) will normally be effective on the date of the change in status.

A change in your Scheduled Benefit amount because of a change in benefits provided under the Group Policy will normally be effective on the date of the change.

However, if you are not Actively at Work on the date the change would otherwise be effective, the change will not be in force until the day you return to Active Work.

Termination

Unless continued as provided below or on GH 1105 A, GH 1105 B, GH 1105 C, and GH 1105 D, your insurance under the Group Policy will cease on the earliest of:

- the date the Group Policy terminates; or
- the date the last contribution is made for your insurance; or
- for contributory insurance any date desired, if requested by you before that date; or
- the date you cease to belong to a class for which insurance is provided; or
- the date you cease to be a Member; or
- the date you cease Active Work.

Continuation

If you cease Active Work because of sickness or injury, you may be eligible for limited continuation of insurance until the earlier of the date you recover or the date insurance would otherwise terminate as described above.

If you cease Active Work because of layoff or leave of absence, insurance may be continued on a limited basis.

In addition, by paying the required contribution, if any, your insurance may be continued under the continuation provisions described on GH 1105 A, GH 1105 B, GH 1105 C, and GH 1105 D.

If you are interested in continuing your insurance beyond the date it would normally terminate, you should consult with the Policyholder before your insurance terminates.

HOW TO BE INSURED - DEPENDENTS

DENTAL EXPENSE INSURANCE

Eligibility

You will be eligible for insurance for your Dependents on the later of:

- the date you are eligible for Member insurance; or
- the date you first acquire a Dependent.

If your Dependent is employed and is covered under group dental expense coverage or coverages provided by your Dependent's employer, the date such coverage is terminated because your Dependent is no longer eligible under his/her employer's coverage will be considered the date you first acquire that Dependent (and any other Dependent who was also covered under such group coverage or coverages).

Effective Date

Dependent insurance is available only with respect to Dependents of Members currently insured for Member Insurance. If a Member is eligible for Dependent insurance, such insurance for your Dependents will become effective under the same terms as described earlier for Member insurance, except:

- A Dependent acquired after your Dependent insurance is already in force will be insured on the date acquired.
- The Actively at Work requirement does not apply to your Dependents.

Individual Incontestability and Eligibility

Your Dependents will be subject to the Individual Incontestability and Eligibility as described earlier for Member insurance.

Termination

Unless continued as provided below or on GH 1105 A, GH 1105 B, GH 1105 C, and GH 1105 D, insurance for all of your Dependents will terminate on the earlier of:

- the date you cease to belong to a class for which Dependent Insurance is provided; or
- the date Dependent insurance is removed from the Group Policy; or
- the date your Member insurance ceases.

Insurance for any one Dependent will terminate on the date he or she ceases to be your Dependent. However, a spouse who no longer resides with the Member will not cease to be a Dependent until legally separated or divorced, provided the spouse otherwise continues to be a Dependent.

However, Dental Expense Insurance will be continued beyond the maximum age for a Dependent Child who is incapable of self-support because of a Developmental Disability or Physical or Mental Incapacity and is dependent on you for primary support. You must apply for this continuation within 31 days after the child reaches the maximum age.

Continuation

In addition, under certain conditions, your Dependent's Dental Expense Insurance may be continued after the date it would normally terminate. See the continuation provisions described on page GH 1105 A, GH 1105 B, GH 1105 C, and GH 1105 D.

CONTINUATION OF COVERAGE

State Required Continuation - Vermont

- **Member and Dependent**

- **Definitions**

Qualified Person means an individual who, on the day before a Qualifying Event, is covered under the Group Policy by virtue of being the Member or the Dependent spouse or Dependent Child of the Member.

Qualifying Event means any of the following events which, except for the election to continue insurance, would result in a loss of coverage to a Qualified Person:

- the Member's termination of employment, including a reduction in hours that results in ineligibility for coverage. In this instance, covered Dependents are eligible for continuation of coverage only if the Member has elected to continue coverage under these provisions; or
- the Member's death; or
- the Member's divorce, dissolution or legal separation from his or her spouse; or
- the Member's Dependent Child attaining the limiting age under the Group Policy and such Dependent Child is not covered under any other insured or uninsured plan.

- **Qualification for Continuation**

A Qualified Person who would lose insurance under the Group Policy because of a Qualifying Event may elect to continue the insurance, if, on the date insurance would otherwise cease:

- the Qualified Person is covered under the Group Policy on the date of the Qualifying Event; and
- the Qualified Person is not covered by Medicare; and
- the Qualified Person is not covered by any other group insured or uninsured arrangement that provides dental coverage for individuals in a group, under which the person was not covered immediately before the occurrence of a Qualifying Event and preexisting condition exclusion applies; and
- the Group Policy is in force.

- **Period of Continuation**

Persons who qualify for continuation as described above may continue insurance until the earliest of:

- the Group Policy terminates (the Qualified Person may complete the continuation period under a replacement policy, if any); or
- the date the Member first becomes covered (after electing continuation) under another group dental expense plan and no preexisting condition exclusion applies; or
- the Qualified Person becomes covered by Medicare; or

- the end of the premium period for which premium is paid, if the Qualified Person fails to make timely payment of a required premium within the Grace Period; or
- the date insurance would otherwise cease as provided in the Group Policy.
- **Notice, Election, and Premium Requirements**

The employer must give the Member Written notice of the continuation right within 30 days after the date insurance would otherwise terminate. The Member must request continuation in Writing, and pay the initial premium, within 60 days after the later of: (i) the date insurance would otherwise terminate or (ii) the date the Member receives Written notice of the continuation right.
- **Students on a Medical Leave of Absence**
 - **Qualification for Continuation**

If a child's insurance would otherwise end because he or she ceases to qualify as a Full-Time Student as defined in GH 1117 due to a medical condition, the child's insurance must continue provided:

 - We have received Written certification Signed by his or her treating Physician that the child's absence from school is medically necessary; and
 - the Group Policy is in force; and
 - the child is not eligible for Medicare or other group medical expense coverage.
 - **Period of Continuation**

Such continued insurance will terminate on the earliest of:

 - the date the child reaches the maximum age for a Full-Time Student; or
 - the certification period for the medically necessary leave of absence has expired and no further certification was provided 15 days prior to the expiration of the certification period; or
 - 24 months has elapsed since the child's coverage continuation began and the child has not returned to school full-time; or
 - the child advises Us that he or she does not intend to return to school full-time; or
 - the child obtains coverage under Medicare or other group medical expense coverage; or
 - the date the child fails to qualify as set forth above; or
 - the date the insurance would otherwise end as provided in GH 1104.

COBRA CONTINUATION

Federal Required Continuation - Consolidated Omnibus Budget Reconciliation Act (COBRA)

The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) applies to any employer (except the federal government and religious organizations) that: (a) maintains group health coverage; and (b) normally employed 20 or more employees on a typical business day during the preceding Calendar Year. For this purpose, "employee" means full-time employees and full-time equivalent for part-time employees.

Where applicable, COBRA requires that your group health insurance allow qualified persons (described below) to continue group health coverage after it would normally end. The term "group health coverage" includes any medical, dental, vision care, and prescription drug coverages that are part of your insurance.

A. Qualified Persons/Qualifying Events

Continuation of group dental coverage must be offered to the following persons if they would otherwise lose that coverage as a result of the following qualifying events:

- (1) a Member (and any covered Dependents) following the Member's:

- (a) termination of employment for a reason other than gross misconduct; or
- (b) a reduction in work hours.

Reduction in work hours includes, but is not limited to, leave of absence, layoff, continuation due to sickness or injury, or when applicable, retirement.

(Note: Taking a family or medical leave under the Federal Family & Medical Leave Act (FMLA) is not a qualifying event under COBRA. A Member has a qualifying event when the Member does not return to work after the end of FMLA leave); and

- (2) a Member's former spouse (and any Dependent Children) following a divorce or legal separation from the Member; and
- (3) a Member's surviving spouse (and any Dependent Children), following the Member's death; and
- (4) a Member's Dependent Child following loss of status as a Dependent under the terms of the Group Policy (e.g., attaining the maximum age, marriage, joining the Armed Forces, etc.); and
- (5) a Member's spouse (and any Dependent Children) following the Member's entitlement to Medicare; and
- (6) a Member's Dependent Child who is born to or placed for adoption with the Member who is on COBRA continuation due to termination of employment or reduction in work hours; and
- (7) if the Group Policy covers retired Members, a retired Member and his/her Dependents (or surviving Dependents) when retiree dental benefits are "substantially eliminated" or terminated within one year before or after the employer files Chapter 11 (United States Code) bankruptcy proceedings.

B. Maximum Continuation Period

Following a qualifying event, dental coverage can continue up to the maximum continuation period. The maximum continuation period for a Member (and any Dependents) following a termination of employment or reduction in work hours is 18 months from the date of the qualifying event. The maximum continuation period for a Member's Dependent Child that is born to or placed for adoption with the Member while on COBRA continuation will extend to the end of the Member's maximum continuation period.

Following a termination of employment or reduction in work hours, a qualified person may request an 11-month extension of COBRA continuation. The maximum COBRA continuation will be 29 months from the date of the qualifying event (see Disabled Extension, Section D).

When a Member becomes entitled to Medicare before employment terminates or work hours are reduced, the maximum continuation period for the Dependents will be the longer of:

- (1) 36 months dating back to the Member's entitlement to Medicare; or
- (2) 18 months from the date of the qualifying event (termination of employment or reduction in work hours).

The maximum continuation period for qualified Dependents following a qualifying event described in A (2) through A (5) is 36 months from the date of the qualifying event.

If the Group Policy covers retired Members and the qualifying event is the employer's bankruptcy filing, the following rules apply:

- (1) If the retired Member is alive on the date of the qualifying event, the retired Member and his or her spouse and Dependent Children may continue coverage for the life of the retired Member. In addition, if the retired Member dies while covered under COBRA, the spouse or Dependent Children may continue coverage for an additional 36 months.
- (2) If the retired Member is not alive on the date of the qualifying event, his or her spouse may continue coverage to the date of his or her death.

C. Second Qualifying Events

If during an 18-month continuation period (or, 29 months for qualified persons on the disabled extension), a second qualifying event described in A (2) through A (5) occurs, the maximum continuation period may be extended for the qualified Dependents up to 36 months. That is, following a second qualifying event, qualified Dependents may continue for up to a maximum of 36 months dating from the Member's termination of employment or reduction in work hours. The extension is only available if the second qualifying event described in A (2) through A (5), absent the first qualifying event, would result in a loss of coverage for Dependents under the Group Policy. A Member's Dependent Child who is born to or placed for adoption with the Member who is on COBRA continuation may also be eligible for a second qualifying event that occurred prior to birth or placement for adoption.

D. Disabled Extension

Following a termination of employment or reduction in work hours, a qualified person (Member or Dependent) who has been determined disabled by the Social Security Administration either before or within 60 days after the qualifying event may request an extension of the continued coverage from 18 months to 29 months. A Member's Dependent Child who is born to or placed for adoption with the Member who is on COBRA continuation must be determined disabled by the Social Security Administration within 60 days after the date of birth or placement for adoption. The disabled extension also applies to each qualified person (the disabled person and any family members) who is not disabled and who is on COBRA continuation as a result of termination of employment or reduction in work hours.

The 11-month extension for all qualified persons will end the earlier of (a) 30 days following the date the disabled person is no longer determined by Social Security to be disabled, or (b) the date continuation would normally end as outlined in Section E below.

E. Termination of Continued Coverage

Continued coverage ends the earliest of the following:

- (1) the date the maximum continuation period ends; or
- (2) the date the qualified person enrolls in Medicare; however, this does not apply to a person who is already enrolled in Medicare on the date he or she elects COBRA or to a person who is on COBRA due to the employer's bankruptcy filing as described in A (7); or
- (3) the end of the last coverage period for which payment was made if payment is not made prior to the expiration of the grace period. (See Grace Period, Section I.); or
- (4) the date the Group Policy is terminated (and not replaced by another group dental plan); or
- (5) the date the qualified person becomes covered by and has satisfied the preexisting exclusion provision of another group dental plan; however, this does not apply to a person who is already covered by the other group dental plan on the date he or she elects COBRA.

Note: Persons who, after the date of COBRA continuation election, become entitled to Medicare or become covered under another group dental plan and have satisfied the preexisting exclusion provision, are not eligible for continued coverage. However, if the Group Policy covers retired Members, continued coverage for retired persons and their Dependents (or surviving Dependents) due to qualifying event A (7) above may not be terminated due to Medicare coverage.

F. Employer/Plan Administrator Notification Requirement

When a Member or Dependent has a qualifying event due to termination of employment, reduction in work hours, death of the Member, the Member's entitlement to Medicare, or if the Group Policy covers retired Members, the commencement of the employer's Chapter 11 (United States Code) bankruptcy proceedings, the employer must notify the plan administrator within 30 days of the date of the qualifying event. The plan administrator must notify the qualified person of the right to COBRA continuation within 14 days after receiving notice of a qualifying event from the employer.

G. Qualified Person Notice and Election Requirement

Qualified persons must notify the plan administrator within 60 days after (a) the date of a qualifying event (i.e., divorce, legal separation, or a child ceases to be a Dependent Child under the terms of the Group Policy); (b) the date the qualified person would otherwise lose coverage as a result of a qualifying event; or (c) the date the qualified person is first informed of this notice obligation; otherwise the right to COBRA continuation ends. This 60-day notice period applies to initial and second qualifying events.

Qualified persons who request an extension of COBRA due to disability must submit a Written request to the plan administrator before the 18-month COBRA continuation period ends and within 60 days after the latest of the following dates: (a) the date of disability determination by the Social Security Administration; (b) the date of the qualifying event; (c) the date the qualified person would otherwise lose coverage as a result of a qualifying event; or (d) the date the qualified person is first informed of this notice obligation; otherwise the right to the disabled extension ends. Qualified persons must also notify the plan administrator within 30 days after the date the Social Security Administration determines the qualified person is no longer disabled.

Notification of a qualifying event to the plan administrator must be in Writing and must include the following information: (a) name and identification number of the Member and each qualified beneficiary; (b) type and date of initial or second qualifying event; (c) if the notice is for an extension due to disability, a copy of any letters from the Social Security Administration and the Notice of Determination; and (d) the name, address and daytime phone number of the qualified person (or legal representative) that the plan administrator may contact if additional information is needed to determine COBRA rights.

Within 14 days after receiving notice of a qualified event from the qualified person, the plan administrator must provide the qualified person with an election notice.

Qualified persons must make Written election within 60 days after the later of: (a) the date group health coverage would normally end; or (b) the date of the plan administrator's election notice. The election notice must be returned to the plan administrator within this 60-day period; otherwise the right to elect COBRA continuation ends.

Each qualified person has an independent right to elect COBRA. A covered Member may elect COBRA continuation on behalf of his/her covered spouse. A covered Member, parent, or legal guardian may elect COBRA continuation on behalf of his/her covered Dependent Children.

To protect COBRA rights, the plan administrator must be informed of any address changes for covered Members and Dependents. Retain copies of any notices sent to the plan administrator.

H. Monthly Cost

Persons electing continued coverage can be required to pay 102% of the cost for the applicable coverage (COBRA permits the inclusion of a 2% billing fee). Persons who qualify for the disabled extension and are not part of the family unit that includes the disabled person can be required to continue to pay 102% of the cost for the applicable coverage during the disability extension. Persons who qualify for the disabled extension and are part of the family unit that includes the disabled person can be required to pay 148% of the cost for the applicable coverage (plus a 2% billing fee) for the 19th through the 29th month of coverage (or through the 36th month if a second qualifying event occurs during the disabled extension).

I. Grace Period

Qualified persons have 45 days after the initial election to remit the first payment. The first payment must include all payments due when sent. All other payments (except for the first payment) will be timely if made within the Grace Period. "Grace Period" means the first 31-day period following a premium due date. Except for the first payment, a Grace Period of 31 days will be allowed for payment of premium. Continued coverage will remain in effect during the Grace Period provided payment is made prior to the expiration of the Grace Period. If payment is not made prior to the expiration of the Grace Period, continued coverage will terminate at the end of the last coverage period for which payment was made.

J. Policy Changes

Continued coverage will be subject to the same benefits and rate changes as the Group Policy.

K. Newly Acquired Dependents

A qualified person may elect coverage for a Dependent acquired during COBRA continuation. All enrollment and notification requirements that apply to Dependents of active Members apply to Dependents acquired by qualified persons during COBRA continuation.

Coverage for a newly acquired Dependent will end on the same dates as described for qualified persons in Section B above. Exception: Coverage for newly acquired Dependents, other than the Member's Dependent Child who is born to or placed for adoption with the Member, will not be extended as a result of a second qualifying event.

FEDERAL FAMILY AND MEDICAL LEAVE ACT (FMLA)

Continuation

Federal law requires that Eligible Employees be provided a continuation period in accordance with the provisions of the Federal Family and Medical Leave Act (FMLA).

This is a general summary of the FMLA and how it affects the Group Policy. See your employer for details on this continuation provision.

FMLA and Other Continuation Provisions

If your employer is an Eligible Employer and if the continuation portion of the FMLA applies to your insurance, these FMLA continuation provisions:

- are in addition to any other continuation provisions of the Group Policy, if any; and
- will run concurrently with any other continuation provisions of the Group Policy for sickness, injury, layoff, or approved leave of absence, if any.

If continuation qualifies for both state and FMLA continuation, the continuation period will be counted concurrently toward satisfaction of the continuation period under both the state and FMLA continuation periods.

Eligible Employer

Eligible Employer means any employer who is engaged in commerce or in any industry or activity affecting commerce who employs 50 or more employees for each working day during each of 20 or more calendar workweeks in the current or preceding Calendar Year.

Eligible Employee

Eligible Employee means an employee who has worked for the Eligible Employer:

- for at least 12 months; and
- for at least 1,250 hours during the year preceding the start of the leave; and
- at a worksite where the Eligible Employer employs at least 50 employees within a 75-mile radius.

For this purpose, "employs" has the meaning provided by the Federal Family and Medical Leave Act (FMLA).

Mandated Unpaid Leave

Eligible Employers are required to allow 12 workweeks of unpaid leave during any 12-month period to Eligible Employees for one or more of the following reasons:

- the birth of a child of an Eligible Employee and in order to care for the child;
- the placement of a child with the Eligible Employee for adoption or foster care;
- to care (physical or psychological care) for the spouse, child, or parent of the Eligible Employee, if they have a "serious health condition";

- a "serious health condition" that makes the Eligible Employee unable to perform the functions of his or her job; or
- because of a "qualifying exigency" arising out of a spouse, son, daughter or parent on active duty to a foreign country or having been notified of a call to active duty.

Eligible Employers are required to allow up to a total of 26 workweeks of unpaid leave during any 12-month period to eligible employees to care for a "covered military member" with a "serious injury or illness". Covered military member means a current member of the Armed Forces and the National Guard or Reserves. It also includes a covered veteran who was a member of the Armed Forces (including a member of the National Guard or Reserves), and was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date an employee takes FMLA leave.

Eligible Employers are required to allow 15 days of unpaid leave during any 12-month period to eligible employees to spend time with a military member on "rest and recuperation" leave.

Reinstatement

An Eligible Employee's terminated insurance may be reinstated in accordance with the provisions of the Federal Family and Medical Leave Act (FMLA), subject to the Actively at Work requirements of the Group Policy.

See your employer for details on this reinstatement provision.

UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT OF 1994 (USERRA)

Federal law requires that if your insurance would otherwise end because you enter into active military duty or inactive military duty for training, you may elect to continue insurance (including Dependents insurance) in accordance with the provisions of Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA).

Continuation

If Active Work ends because you enter active military duty, insurance may be continued until the earliest of:

- for you and your Dependents:
 - the date the Group Policy is terminated; or
 - the end of the premium period for which premium is paid if you fail to make timely payment of a required premium; or
 - the date 24 months after the date you enter active military duty; or
 - the date after the day in which you fail to return to Active Work or apply for reemployment with the Policyholder.
- for your Dependents:
 - the date Dependent Dental Expense Insurance would otherwise cease as provided on GH 1104; or
 - any date desired, if requested by you before that date.

The continuation provision will be in addition to any other continuation provisions described in the Group Policy for sickness, injury, layoff, or approved leave of absence, if any. If you qualify for both state and USERRA continuation, the election of one means the rejection of the other.

Reinstatement

For Dental Expense Insurance, the reinstatement time period may be extended for an approved leave of absence taken in accordance with the provisions of the federal law regarding USERRA. The Actively at Work provision, described in the Group Policy, will not apply to the reinstated insurance.

This is a general summary of the USERRA and how it affects your Group Policy. See your employer for details on this continuation provision.

DENTAL EXPENSE INSURANCE
COORDINATION WITH OTHER BENEFITS

Applicability

These Coordination of Other Benefits (COB) provisions apply to this Plan when you or one of your Dependents have dental care insurance under more than one Plan. "Plan" is defined below.

If the COB provision applies, the order of benefit determination rules should be looked at first. Those rules determine whether the benefits of this Plan are determined before or after those of another plan. The benefits of this Plan:

- will not be reduced when, under the order of benefit determination rules, this Plan determines its benefits before another plan; but
- may be reduced when, under the order of benefits determination rules, another plan determines its benefits first.

Benefits paid under all other Plans plus the sum of benefits paid under the Group Policy will not exceed the lesser of the financial liability of the Member or Dependent or Our Prevailing Charge for a Treatment or Service.

Definitions

"Plan" is any of these which provides benefits or services for, or because of, medical or dental care or treatment provided under:

- any insured or noninsured group, service, prepayment, or other program arranged through an employer, trustee, union, or association; and
- any program required or established by state or Federal law (including Medicare Parts A and B); and
- any program sponsored by or arranged through a school or other educational agency; and
- the first-party medical expense provisions of any automobile policy issued under a no-fault insurance statute and traditional fault-type contracts.

The term Plan will not include benefits provided under a student accident policy, nor will the term Plan include benefits provided under a state medical assistance program where eligibility is based on financial need.

"Primary Plan/Secondary Plan." The order of benefit determination rules determine whether this Plan is a "Primary Plan" or a "Secondary Plan" when compared to another Plan covering the person.

When this Plan is Primary, its benefits are determined before those of any other Plan and without considering any other Plan's benefits. When this Plan is Secondary, its benefits are determined after those of another Plan and may be reduced because of the Primary Plan's benefits.

"Allowable Expense." A dental care service or expense, including Deductibles, coinsurance, and Copayments, if any, that is covered at least in part by any of the Plans covering the person for whom benefits are claimed. When a Plan provides benefits in the form of services (for example a DHMO), the reasonable cash value of each service will be considered an allowable expense and a benefit paid. An expense or service that is not covered by any of the plans is not an allowable expense. The following are examples of expenses or services that are not allowable expenses.

- If a person is covered by two or more Plans that compute their benefits payments on the basis of usual and customary fees, any amount in excess of the highest of the usual and customary fees for a specific benefit is not an Allowable Expense.
- The amount a benefit is reduced by the Primary Plan because a covered person does not comply with the Plan provisions. Example of this provision is preferred provider arrangements.

"Claim Determination Period" means the part of a Calendar Year during which you or a Dependent would receive benefit payments under this Plan if this section were not in force.

Effect on Benefits

Benefits otherwise payable under this Plan for Allowable Expenses during a Claim Determination Period may be reduced if:

- benefits are payable under any other Plan for the same Allowable Expenses; and
- the rules listed below provide that benefits payable under the other Plan are to be determined before the benefits payable under this Plan.

The reduction will be the amount needed to provide that the sum of payments under this Plan plus benefits payable under the other Plan(s) is not more than the total of Allowable Expenses.

For this purpose:

- benefits payable under other Plans will include the benefits that would have been paid had claim been made for them;
- for any person covered by Medicare Part A, benefits payable will include benefits provided by Medicare Part B whether or not the person is covered under that Part B.

Order of Benefit Determination

General. Except as described below under Medicare Exception, the benefits payable of a Plan that does not have a coordination of benefits provision similar to the provision described in this section will be determined before the benefits payable of a Plan that does have such a provision. In all other instances, the order of determination will be:

Rules. This Plan determines its order of benefits using the first of the following rules which applies:

- Nondependent/Dependent. The Plan which covers the person as an employee, Member, or subscriber (that is, other than a Dependent) are determined before those of the Plan which covers the person as a Dependent. Exception: If the person is also a Medicare beneficiary, and as a result of the rule established by Title XVIII of the Social Security Act and implementing regulations, Medicare is:
 - secondary to the Plan covering the person as a Dependent; and
 - primary to the Plan covering the person as other than a Dependent (e.g., a retired employee), then the benefits of the Plan covering the person as a Dependent are determined before those of the Plan covering that person as other than a Dependent.

- Dependent Child--Parents Not Separated or Divorced. If a Dependent Child is covered by both parents' Plans, the Plan of the parent whose birthday falls earlier in the Calendar Year will be determined before those of the Plan of the parent whose birthday falls later in that year. But, if both parents have the same birthday or if the other Plan does not have a birthday rule, and as a result the Plans do not agree on the order of benefits, the benefits of the Plan which covered a parent longer are determined before those of the Plan which covered the other parent for a shorter period of time.

However, if the other Plan does not have the rule described above, but instead has a rule based upon the gender of the parent, and if, as a result, the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.

- Dependent Child--Separated or Divorced Parents. If a Dependent Child of legally separated or divorced parents is covered under two or more Plans, benefits for the Dependent Child are determined in this order:
 - first, the Plan of the parent with custody of the Dependent Child;
 - then, the Plan of the spouse of the parent with custody of the Dependent Child; and
 - finally, the Plan of the parent not having custody of the Dependent Child.

However, if the specific terms of a court decree state that one of the parents is responsible for the health care expenses of the Dependent Child, and the entity obligated to pay or provide the benefits of the Plan of that parent has actual knowledge of those terms, the benefits of that Plan are determined first. This paragraph does not apply for any Claim Determination Period or Plan year during which any benefits are actually paid or provided before the entity has that actual knowledge.

- Joint Custody. If the specific terms of a court decree state that the parents shall share joint custody, without stating that one of the parents is responsible for the health care expenses of the Dependent Child, the Plans covering the Dependent Child shall follow the order of benefit determination rules for Dependent Children of parents who are not separated or divorced.
- Active/Inactive Employee. The benefits of a Plan which covers a person as an employee who is neither laid-off nor retired are determined before those of a Plan which covers that person as a laid-off or retired employee. The same would hold true if a person is a Dependent of a person covered as a retiree and an employee. If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule will not apply.
- Continuation of Coverage. If a person for whom coverage is provided under a right of continuation according to Federal or state law is also covered under another Plan, the following will be the order of benefit determination:
 - first, the benefits of a Plan covering the person as an employee, Member, or subscriber (or as that person's Dependent);
 - second, the benefits under the continuation coverage.

If the other Plan does not have the rule described above, and if, as a result, the Plans do not agree on the order of benefits, this rule will not apply.

- Longer/Shorter Length of Coverage. If none of the above rules determine the order of benefits, the benefits of the Plan which covered an employee, Member, or subscriber longer are determined before those of the Plan which covered that person for the shorter time.

Medicare Exception

Unless otherwise required by Federal law, benefits payable under Medicare will be determined before the benefits payable under the Group Policy.

Federal law will usually apply in such instances if:

- the benefits are applicable to an active (rather than a retired) Member or to that Member's spouse; and
- the Member's employer has 20 or more employees.

How COB Works

Example 1: The natural father is insured as a Member under this Plan. Company A covers the natural mother. Company B covers the stepfather. The natural mother has custody of the Dependent Child and the divorce decree does not establish financial responsibility for medical, dental, or other health care expenses.

The following order of benefits would apply to the Dependent Child:

1. Company A would be Primary (mother's carrier).
2. Company B would be Secondary (stepfather's carrier).
3. We would then determine the benefits payable, if any, under this Plan.

Example 2A: Mrs. Smith has filed a claim for \$600 with both Company A and Company B. Company A insures Mrs. Smith as an employee under a plan which pays 80% of Covered Charges after a \$50 Calendar Year deductible is satisfied. Company B insures her as a dependent spouse under a plan.

Both plans have a COB provision, therefore, Company A would pay first since it insures Mrs. Smith as an employee. Since Company A pays first, it calculates benefits in full as though duplicate coverage did not exist.

Company A

Billed Charges	\$	600	
Not Covered By Primary Carrier	\$	<u>- 20</u>	(oral hygiene instructions)
Total Covered Charges	\$	580	
Less Deductible	\$	<u>- 50</u>	
Benefits Payable ($\$530 \times 80\% = \424)	\$	424	

Once Company A has determined and paid its benefits, Mrs. Smith's claim is then considered by Company B. In calculating its benefit, Company B must include any expenses that would be allowable expenses under the Company A plan.

Company B

Allowable Expenses	\$	580
Less Company A Benefits	\$	<u>-424</u>
Benefits Payable	\$	156

The Patient is responsible for \$20 which is not considered a covered expense under either policy.

Example 2B: The same rules apply in this example as they did in Example 2A. Mrs. Smith has filed an additional claim for \$800 with both Company A and Company B. Company A insures Mrs. Smith as an employee under a plan which pays 80% of Covered Charges after a \$50 Calendar Year deductible is satisfied. Company B insures her as a dependent spouse under a plan.

Both plans have a COB provision, therefore, Company A would pay first since it insures Mrs. Smith as an employee. Since Company A pays first, it calculates benefits according to their plans Covered Charges as though duplicate coverage did not exist.

Company A

Billed Charges	\$	800	
Not Covered By Primary Carrier	\$	<u>- 20</u>	(oral hygiene instructions)
Total Covered Charges	\$	780	
Less Deductible	\$	<u>- 50</u>	
Benefits Payable ($780 \times 80\% = 624$)	\$	624	

Once Company A has determined and paid its benefits, Mrs. Smith's claim is then considered by Company B. In calculating its benefit, Company B must include any expenses that would be allowable expenses under the Company A plan.

Company B

Allowable Expenses	\$	780
Less Company A Benefits	\$	<u>- 624</u>
Benefits Payable By Company B	\$	156

The Patient is responsible for \$20 which is not considered a covered expense under either policy.

CLAIM PROCEDURES

Notice of Claim

Written notice of claim must be given to Us within 20 calendar days after the date of loss. Failure to give notice within the time specified will not invalidate or reduce any claim if notice is given as soon as reasonably possible.

Claim Forms

The Policyholder will provide forms to assist you in filing claims. If the forms are not provided within 15 calendar days after We receive such notice of claim, you will be considered to have complied with the requirements of the Group Policy regarding proof of loss upon submitting, within the time specified below for filing proof of loss, written proof covering the occurrence, character, and extent of the loss.

Proof of Loss

Completed claim forms and other information needed to prove loss should be filed promptly. Written proof of loss should be sent to Us 12 months after the date of loss. For purposes of satisfying the claim processing requirements, receipt of claim will be considered to be met when We receive proof of loss. Proof of loss includes the patient's name, your name (if different from patient's name), provider of services, dates of service, diagnosis, description of Treatment or Service provided and extent of the loss. We may request additional information to substantiate your loss or require a Signed unaltered authorization to obtain that information from the provider. Your failure to comply with such request could result in declination of the claim. We may also require x-rays, dental charts, and other evidence needed to determine the dental condition treated and the services provided.

Payment, Denial, and Review

The Employee Retirement Income Security Act (ERISA) permits up to 30 calendar days from receipt of claim for processing the claim. If a claim cannot be processed due to incomplete information, We will send a Written explanation prior to the expiration of the 30 calendar days. If we do not deny the claim and request additional information to complete the review, the claimant is then allowed up to 45 calendar days to provide all additional information requested. We will render a decision within 15 calendar days of either receiving the necessary information or upon the expiration of 45 calendar days if no additional information is received.

Unless otherwise preempted by the Employee Retirement Income Security Act (ERISA), state time limits will apply. State law requires that benefits payable under the Group Policy will be payable not more than 30 days after receipt of proof and subject to the proof of loss.

In actual practice, benefits under the Group Policy may be payable sooner, provided We receive complete and proper proof of loss. If a claim is not payable or cannot be processed, We will submit a detailed explanation of the basis for its denial. The explanation will include:

- the specific reason(s) for the adverse benefit determination;
- reference to the specific plan provision(s) on which the determination is based;
- a description of any additional material or information necessary for the claimant to complete the claim;
- a description of Our review procedures including time limits applicable to such procedures and the claimant's right to civil action following an adverse benefit on review;

- if an internal rule, guideline, protocol, other similar criterion was relied upon in making the adverse determination, either the specific rule, guideline, protocol, or other similar criterion; or a statement that such a rule, guideline, protocol, or other similar criterion was relied upon in making the adverse determination and that a copy of such rule, guideline, protocol, or other criterion will be provided free of charge to the claimant upon request;
- if the adverse benefit determination is based on a dental necessity or experimental treatment or similar exclusion, either an explanation of the scientific or clinical judgment for the determination or a statement that an explanation will be provided free of charge upon request.

A claimant may request an appeal of a claim denial by Written request to Us within 180 calendar days of receipt of the notice of denial. We will make a full and fair review of the claim. We may require additional information to make the review. We will notify the claimant in Writing of the appeal decision within 60 calendar days of receiving the appeal request. The appeal review must be completed before filing a civil action or pursuing any other legal remedies. The notification will include:

- the specific reason or reasons for the adverse benefit determination;
- reference to the specific plan provision(s) on which the determination is based;
- upon request and free of charge, the claimant is entitled to receive reasonable access to, and copies of, all documents, records, and other information relevant to his or her claim for benefits;
- if an internal rule, guideline, protocol, other similar criterion was relied upon in making the adverse benefit determination, either the specific rule, guideline, protocol, or other similar criterion; or a statement that such a rule, guideline, protocol, or other similar criterion was relied upon in making the adverse benefit determination and that a copy of such rule, guideline, protocol, or other criterion will be provided free of charge to the claimant upon request;
- if the adverse benefit determination is based on a dental necessity or experimental treatment or similar exclusion, either an explanation of the scientific or clinical judgment for the determination or a statement that an explanation will be provided free of charge upon request;
- the claimant and the plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact the local U.S. Department of Labor Office and the State insurance regulatory agency.

For purposes of this section, "claimant" means you or your Dependent.

Preferred Providers

When you become insured, you will be issued an identification card. This card should be presented to each PPO Provider at the time you or a Dependent receive needed dental care. Each PPO Provider will provide you with a claim form and other filing assistance.

Dental Treatment Plan

We encourage the use of predeterminations to determine the extent of coverage for a proposed course of treatment. A Dental Treatment Plan may be filed with Us before treatment begins. Upon receipt of the Dental Treatment Plan, We will provide a Written response indicating the benefits that may be payable for the proposed treatment. We suggest predetermination of benefits for the following non-emergency types of treatments: inlays, onlays, single crowns, prosthetics, periodontics and oral surgery.

The filing of a Dental Treatment Plan is intended to help avoid any misunderstanding between you, the Dentist and Us as to how much will be paid for dental work. A Dental Treatment Plan is not a guarantee of what We will pay. It informs you and the Dentist, in advance, what We will pay for a covered dental service named in the Dental Treatment Plan. If We do not agree with a Dental Treatment Plan, We have the right to base payments on treatment suited to your condition by accepted standards of dental practice.

Facility of Payment

We will normally pay all benefits (for other than orthodontia) to you. However, if the claimed benefits result from a Dependent's dental care, We may make payment to the Dependent. Orthodontia benefits will be payable as described below. Also, in the special instances listed below, payment will be as indicated. All payments so made will discharge Us to the full extent of those payments.

- If payment amounts remain due upon your death, those amounts may, at Our option, be paid to your estate, spouse, child, or parent, or a provider of dental services.
- If We believe a person is not legally able to give a valid receipt for a benefit payment, and no guardian has been appointed, We may pay whoever has assumed the care and support of the person.
- Benefits payable to a PPO Provider will be paid directly to the PPO Provider on behalf of you or your Dependent.

Note: When benefits under the Group Policy are payable for Treatment or Services received from a foreign provider, the claim must be filed in English and requested in American currency amounts. Such claims will be payable for Covered Charges for Treatment or Services but only to the extent that the actual cost charged does not exceed Prevailing Charges. Benefits will be paid directly to the Member. No assignments will be made to foreign providers.

Payment of Orthodontia Benefits

Benefits under the Group Policy for comprehensive orthodontia treatment will be payable in installments.

We will pay orthodontia benefits:

- immediately upon receipt of proof that the initial treatment (including setting of the appliance or bands) has been completed; and
- at the end of each following calendar month upon receipt of proof that the Period of Dental Treatment has continued.

The Covered Charge for the initial treatment will be 25% of the lesser of:

- the Dental Care Unit 4 lifetime maximum; or
- Covered Charges as outlined on GH 1112 multiplied by the coinsurance shown on GH 1102 B under Benefits Payable - Dental Care Unit 4.

The monthly Covered Charge will be determined by averaging the remaining Covered Charge over the estimated time required to complete the Orthodontic Treatment or Service.

Treatment or Service for other than comprehensive orthodontia treatment may be paid in one lump sum.

The Dental Care Unit 4 Maximum Payment Limit under the Group Policy will be reduced by any orthodontia benefits paid under the Prior Plan.

For the purposes of this section, "Prior Plan" will mean the Member's group dental expense coverage for which the Group Policy is a replacement.

Orthodontia Treatment or Service will not be covered if the appliance or bands were placed prior to being insured under the Group Policy, unless:

- your Dependent Child is currently in a treatment plan which was covered under the Prior Plan; and
- there has been no Lapse in Coverage; and
- you or your Dependent submits proof that:
 - the Dental Care Unit 4 Maximum Payment Limit under this Group Policy was not exceeded under the Prior Plan; and
 - the orthodontic treatment was started and bands or appliances were inserted while insured under the Prior Plan; and
 - orthodontic treatment has been continued while your Dependent Child is insured under the Group Policy.

Recoding of Procedures

When a claim contains one or more procedure codes with the same date of service, We may review the claim to determine whether it contains, among other things, coding irregularities (including duplicative or combined codes), coding conflicts or coding errors. We will base such review on generally recognized and authoritative coding resources, including but not limited to: Current Dental Terminology (CDT).

If We determine, in Our own discretion, that the claim may be more appropriately coded using the same or different codes, the claim will be recoded and processed accordingly to determine the allowable amount and extent of benefits.

Dental Examinations

We may have the person whose loss is the basis for dental claim examined by a Dentist. We will pay for these examinations and will choose the Dentist to perform them.

Legal Action

Legal action for a claim may not be started earlier than 60 calendar days after proof of loss is filed and before the appeal procedures have been exhausted. Further, no legal action may be started later than three years after proof is required to be filed.

Time Limits

All time limits listed in this section will be adjusted as required by law.

STATEMENT OF RIGHTS

Federal law requires that this section be included in your booklet:

As a participant in this plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA).

ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Pension and Welfare Benefit Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Continue Group Health Plan Coverage

- Continue health care coverage for yourself, spouse or Dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review this summary plan description and the documents governing the plan or the rules governing your COBRA continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that plan

fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Pension and Welfare Benefits Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Pension and Welfare Benefits Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Pension and Welfare Benefits Administration.

The Dental Charges Database will be updated by Us as information becomes available from the database supplier, up to twice each year. We may also modify the database at our discretion to reflect our own experience. We have discretion to substitute or replace the selected database with a database or databases of comparable purpose, including a database using information of Ours only, as determined and adjusted by Us, with or without notice. When there is minimal data available, as determined by Us, from the DCD for a Treatment or Service, We will determine the Prevailing Charge by calculating the unit cost for the applicable Treatment or Service category using the DCD and multiplying by the relative value of the Treatment or Service based upon a relative value scale selected by Us. When considering a complex Treatment or Service or a Treatment or Service that is a new procedure or otherwise does not have a relative value that is applicable, We will assign one. The determination of the Prevailing Charge does not take into account the Non-Preferred Provider's training, experience or category of licensure.

VERMONT MANDATORY CIVIL UNION NOTICE

PURPOSE:

Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons. This Notice is a part of the booklet certificate and complies with Vermont law.

DEFINITIONS, TERMS, CONDITIONS, AND PROVISIONS:

The definitions, terms, conditions, and any other provisions of the Group Policy, contract, certificate, and/or riders and endorsements to which this mandatory Notice is attached are hereby revised and superseded as follows:

Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage," "spouse," "husband," "wife," "dependent," "next of kin," "relative," "beneficiary," "survivor," "immediate family," and any other such terms include the relationship created by a civil union established according to Vermont law.

Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage," "divorce decree," "termination of marriage," and any other such terms include the inception or dissolution of a civil union established according to Vermont law.

"Dependent" means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, stepchild, legally adopted, or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

"Child or covered child" means a child (natural, stepchild, legally adopted, or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE

Vermont law grants parties to a civil union the same benefits, protections, and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections, and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA," controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons.

Federal law also controls group health insurance continuation rights under "COBRA" for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under the Group Policy, contract, certificate, rider, or notice that derive from federal law. You are advised to seek expert advice to determine your rights under the contract.
