The Principal reserves the right to change this Group Policy as follows:

Any change to this Group Policy, including, but not limited to, those in regard to coverage, benefits, and participation privileges, may be made without the consent of any Member.

Payment of premium beyond the effective date of the change constitutes the Policyholder's consent to the change.

Article 3 - Policyholder Eligibility Requirements

In addition, if an individual's age is misstated, The Principal may at any time adjust premium and benefits to reflect the correct age.

The Principal may at any time terminate a Member's eligibility under this Group Policy in Writing and with 31-day notice:

Neither will an error continue insurance that would otherwise be terminated.

The Principal may inspect, at any reasonable time, all Policyholder and Participating Unit records which relate to this Group Policy.

Article 7 - Certificates

The Principal will give the Policyholder Certificates for delivery to insured Members. The delivery of such Certificates will be in either paper or electronic format. Except for the first premium, a Grace Period of 31 days will be allowed for payment of premium. "Grace Period" means the first 31-day period following a premium due date. The Group Policy will remain in force until the end of the Grace Period, unless the Group Policy has been terminated by notice as described in this PART II, Section C. If the Policyholder agrees to participate in the electronic services program of The Principal and, at a later date elects to withdraw from participation, such withdrawal may result in certain administrative fees being charged to the Policyholder.

Article 4 - Premium Amount

The amount of premium to be paid on each due date will be the product of total Primary Benefit payable divided by ten multiplied by the premium rate then in effect.

To ensure accurate premium calculations, the Policyholder is responsible for reporting to The Principal, the following information during the stated time periods:

- b. Members whose coverage has terminated are to be reported within a month of the date coverage terminated.
- c. Changes in Weekly Earnings are to be reported within a month of the date that the change in Weekly Earnings took place.
- d. Changes in Member insurance class are to be reported within a month of the date that the change in insurance class took place.

If a Member is added or a present Member's Primary Benefit amount changes or terminates on other than the first of an Insurance Month, premium for that Member will be adjusted and applied as if the change were to take place on the first of the next following Insurance Month.

Article 5 - Contributions from Members

Members are not required to contribute a part of the premium for their insurance under this Group Policy.

Section C - Policy Termination

Article 1 - Failure to Pay Premium

This Group Policy will terminate at the end of a Grace Period if total premium due has not been received by The Principal before the end of the Grace Period. Failure by the Policyholder to pay the premium within the Grace Period will be deemed notice by the Policyholder to The Principal to discontinue this Group Policy at the end of the Grace Period.

Article 2 - Termination Rights of the Policyholder

The Policyholder may terminate this Group Policy effective on the day before any premium due date by giving Written notice to The Principal prior to that premium due date. The Policyholder's issuance of a stop-payment order for any amounts used to pay premiums for the Policyholder's insurance will be considered Written notice from the Policyholder.

Article 3 - Termination Rights of The Principal

The Principal may nonrenew or terminate this Group Policy by giving the Policyholder 31 days advance notice in Writing, if the Policyholder:

- a. ceases to be actively engaged in business for profit within the meaning of the Internal Revenue Code, or be established as a legitimate nonprofit organization within the meaning of the Internal Revenue Code; or

- a. the date the Member is eligible, if the request is made on or before that date; or
- b. the date of the Member's request, if the request is made within 31 days after the date the Member is eligible.

If the request is made more than 31 days after the date the Member is eligible, Proof of Good Health will be required before insurance can be in force (see Articles 4 and 5 below).

Article 4 - Effective Date When Proof of Good Health is Required

Insurance for which Proof of Good Health is required will be in force on the later of:

- a. the date insurance would have been effective if Proof of Good Health had not been required;
or
- b. the date Proof of Good Health is approved by The Principal.

Article 5 - Proof of Good Health Requirements

The type and form of required Proof of Good Health will be determined by The Principal. A Member must submit Proof of Good Health:

- a. If insurance for which a Member contributes a part of premium is requested more than 31 days after the date the Member is eligible.
- b. If a Member has failed to provide required Proof of Good Health or has been refused insurance under this Group Policy at any prior time.
- c. If a Member elects to terminate insurance and, more than 31 days later, requests to be insured again.
- d. If, on the date a Member becomes eligible, fewer than five Members are insured.
- e. If, on the date a Member becomes eligible for any increase or additional Benefit Payable amount, fewer than five Members are insured.

Article 6 - Effective Date for Benefit Changes Due to a Change in Weekly Earnings

Unless Proof of Good Health is required (see Articles 4 and 5 above), a change in Benefit Payable amount because of a change in the Member's Weekly Earnings will normally be effective on the date of change. However, if the Member is not Actively at Work on the date a Benefit Payable change would otherwise be effective, the Benefit Payable change will not be in force until the date the Member returns to Active Work.

Article 6A - Effective Date for Benefit Changes Due to a Change in Insurance Class

Unless Proof of Good Health is required (see Articles 4 and 5 above), a change in Benefit Payable amount because of a change in the Member's insurance class will normally be effective on the date of change. However, if the Member is not Actively at Work on the date a Benefit Payable change would otherwise be effective, the Benefit Payable change will not be in force until the date the Member returns to Active Work.

Article 7 - Effective Date for Benefit Changes - Change by Policy Amendment

Unless Proof of Good Health is required (see Articles 4 and 5 above), a change in the amount of a Member's Benefit Payable because of a change in the Benefit Payable (as described in PART IV, Section B) by amendment to this Group Policy will be effective on the date of change. However, if the Member is not Actively at Work on the date a Benefit Payable change would otherwise be effective, the Benefit Payable change will not be in force until the date the Member returns to Active Work.

Article 8 - Effective Date for Benefit Changes - Change in Benefits Made by The Principal

A change in a Member's Benefit Payable because of a change made by The Principal will normally be effective on the Policyholder's Policy Anniversary (or as otherwise determined by The Principal). However, if the Member is not Actively at Work on the date a Benefit Payable change would otherwise be effective, the Benefit Payable change will not be in force until the date the Member returns to Active Work.

Section C - Member Termination, Continuation, and Reinstatement

Article 1 - Member Termination

A Member's insurance under this Group Policy will terminate on the earliest of:

- a. the date this Group Policy is terminated; or
- b. the date the last premium is paid for the Member's insurance; or
- c. for contributory insurance, any date desired, if requested by the Member before that date; or
- d. the date the Member ceases to be a Member as defined; or
- e. the date the Member ceases to be in a class for which Member Insurance is provided; or
- f. the date the Member ceases Active Work, except as provided by Articles 2, 3, 4, and 5 of this section.

Termination for any reason described above will not affect a Member's rights to benefits, if any, for a Disability that begins while the Member's insurance is in force under this Group Policy. A Member is considered to be continuously Disabled if he or she is Disabled from one condition and, while still Disabled from that condition, incurs another condition that causes Disability.

Article 2 - Member Continuation

A Member may qualify to have his or her insurance continued under one or more of the continuation articles below. If a Member qualifies for continuation under more than one article, the longest period of continuation will be applied, and all periods of continuation will run concurrently.

Article 3 - Member Continuation and Reinstatement - Sickness, Injury, or Pregnancy

If a Member ceases Active Work due to sickness, injury, or pregnancy, the Member's insurance can be continued subject to payment of premium, until the earliest of:

- a. the date insurance would otherwise terminate as provided in Article 1, items a. through e. above; or
- b. the end of the Insurance Month in which the Member recovers; or

PART III - INDIVIDUAL REQUIREMENTS AND RIGHTS

- c. the date 190 days after Active Work ends.

For a Member who establishes a Benefit Payment Period, his or her insurance will be reinstated if the Member returns to Active Work for the Policyholder within six months of the date the Benefit Payment Period ends. The Member's reinstated insurance will be in force on the date of return to Active Work.

For a Member who does not qualify to have a Benefit Payment Period, insurance will be reinstated if he or she returns to Active Work for the Policyholder within six months of the date insurance ceased. The Member's reinstated insurance will be in force on the date of return to Active Work.

Proof of Good Health will be required to place in force any Benefit Payable that would have been subject to Proof of Good Health had the Member remained continuously insured.

Article 4 - Member Continuation and Reinstatement - Layoff or Leave of Absence

If a Member ceases Active Work due to layoff or leave of absence, his or her insurance can be continued, subject to premium payment, until the earlier of:

- a. the date insurance would otherwise terminate as provided in Article 1, items a. through e. above; or
- b. the end of the Insurance Month in which Active Work ends.

A Member's insurance will be reinstated if he or she returns to Active Work for the Policyholder within six months of the date insurance ceased. The Member's reinstated insurance will be in force on the date of his or her return to Active Work.

A longer reinstatement period may be allowed for an approved leave of absence taken in accordance with the provisions of the federal law regarding Uniform Services Employment and Reemployment Rights Act of 1994 (USERRA).

Proof of Good Health will be required to place in force any Benefit Payable that would have been subject to Proof of Good Health had the Member remained continuously insured.

Article 5 - Member Continuation and Reinstatement - Family and Medical Leave Act (FMLA)

PART III - INDIVIDUAL REQUIREMENTS AND RIGHTS

If a Member ceases Active Work due to an approved leave of absence under FMLA, the Policyholder may choose to continue the Member's insurance, subject to premium payment, until the date either 12 weeks or 26 weeks, as determined by law, after Active Work ends.

A Member's terminated insurance may be reinstated in accordance with the provisions of the FMLA.

PART III - INDIVIDUAL REQUIREMENTS AND RIGHTS

PART IV - BENEFITS

Section A - Benefit Qualification

Article 1 - Benefit Qualification

A Member will qualify for Disability benefits if all of the following apply:

- a. The Member is Disabled under the terms of this Group Policy.
- b. The Disability begins while he or she is insured under this Group Policy.
- c. The Disability is not subject to any Limitations listed in this PART IV, Section G.
- d. An Elimination Period is completed.
- e. A Benefit Payment Period is established.
- f. The Member is under the Regular and Appropriate Care of a Physician.
- g. The claim requirements listed in this PART IV, Section I are satisfied.

An Elimination Period will start on the date a Member becomes Disabled. The Elimination Period will be completed and a Benefit Payment Period established on the:

- a. 1st day if the Disability is Due to Injury; or
- b. 8th day if the Disability is Due to Sickness.

Section B - Benefits Payable

Article 1 - If the Member is not working during a period of Disability

The Benefit Payable to a Member for each full week of a Benefit Payment Period will be the Member's Primary Benefit less Other Income Sources.

Article 2 - If the Member is working during a period of Disability

The Benefit Payable to a Member for each full week of a Benefit Payment Period will be the lesser of:

- a. the Member's Primary Benefit less Other Income Sources, multiplied by the Member's Income Loss Percentage; or
- b. 100% of Predisability Earnings less Other Income Sources, less Current Earnings from his or her Own Job or any job.

Article 3 - Minimum Weekly Benefit

The weekly Benefit Payable will not be less than \$15 for each full week of a Benefit Payment Period, except that The Principal will have the right to reduce the Minimum Weekly Benefit by any prior benefit overpayment.

Section C - Rehabilitation Services and Benefits

Article 1 - Rehabilitation Services and Benefits

While the Member is Disabled and covered under this Group Policy, he or she may qualify to participate in a rehabilitation plan and receive Rehabilitation Services and Benefits. The Principal will work with the Member and others as appropriate, to develop an individualized rehabilitation plan intended to assist the Member in returning to work.

Article 2 - Rehabilitation Services

While the Member is Disabled under the terms of the Group Policy, he or she may qualify for Rehabilitation Services. If the Member, the Policyholder and The Principal agree in Writing on a rehabilitation plan in advance, The Principal may pay a portion of reasonable expenses. The goal of the plan will be to return the Member to work.

Any rehabilitation assistance must be approved in advance by The Principal and outlined in a rehabilitation plan. The Benefit Payable as described in this PART IV, Section B, Article(s) 1 and 2, (subject to the terms and conditions of the section) will continue, unless modified by the rehabilitation plan. Rehabilitation assistance may include, but is not limited to:

- a. coordination of medical services;
- b. vocational and employment assistance;
- c. purchasing adaptive equipment;
- d. business/financial planning;
- e. retraining for a new occupation;
- f. education expenses.

The Principal will periodically review the rehabilitation plan and the Member's progress and The Principal will continue to pay for the agreed upon expenses as long as The Principal determines that the rehabilitation plan is providing the necessary action to return the Member to work.

Article 3 - Predisability Intervention Services

PART IV - BENEFITS

Rehabilitation Services may be offered to a Member who has not yet become Disabled under the terms of this Group Policy, provided the Member has a condition which has the potential of resulting in the inability to perform the Substantial and Material Duties of his or her Own Job.

Section E - Weekly Payment Limit

Article 1 - Weekly Payment Limit

In no event will the sum of the amounts payable for:

- a. Benefits Payable under this PART IV, Section B, Article(s) 1, 2, and 3; and
- b. income from Other Income Sources; and
- c. Current Earnings from the Member's Own Job or any job;

exceed 100% of Predisability Earnings. In the event the Member's total income from all sources listed above exceeds 100% of Predisability Earnings, the benefits under this Group Policy will be reduced by the amount in excess of 100% of Predisability Earnings.

Section F - Benefit Payment Period and Recurring Disability

Article 1 - Benefit Payment Period

Benefits are payable for a period of 26 weeks after the date the Benefit Payment Period begins.

However, in no event, will benefits continue beyond:

- a. the date of the Member's death; or
- b. the date Disability ends, unless a Recurring Disability exists as explained in this section; or
- c. the date the Member fails to provide any required proof of Disability; or
- d. the date the Member fails to submit to any required medical examination or evaluation as provided in this PART IV, Section I, Article 13; or
- e. the date the Member fails to report any required Current Earnings information; or
- f. the date the Member fails to report income from Other Income Sources; or
- g. the date ten days after receipt of notice from The Principal if the Member fails to pursue Social Security Benefits or benefits under a Worker's Compensation Act or similar law, as outlined in PART IV, Section I, Article(s) 8 and 9; or
- h. the date the Member ceases to be under the Regular and Appropriate Care of a Physician.

Article 2 - Recurring Disability

A Recurring Disability will exist under this Group Policy if:

- a. after completing an Elimination Period and during a Benefit Payment Period, a Member ceases to be Disabled; and
- b. the Member then returns to Active Work; and
- c. while insured under this Group Policy, but before completing 30 continuous days of Active Work, the Member is again Disabled; and
- d. the current Disability and the Disability for which the Elimination Period was completed result from the same or a related cause.

A Recurring Disability will be treated as if the initial Disability has not ended, except that no benefits will be payable for the time between Disabilities. The Member will not be required to complete a new Elimination Period and a new Benefit Payment Period will not be established. Benefits will be payable from the first day of each Recurring Disability, but only for the remainder, if any, of the Benefit Payment Period established for the initial Disability. The effective date of any salary increase received during return to Active Work as stated in PART III, Section B, Article 6 which would otherwise be effective, will not apply to any benefit payable under this Recurring Disability provision.

Section G - Limitations

Article 1 - Limitations

No benefits will be paid for any Disability that:

- a. results from intentionally self-inflicted injury, unless the illness, treatment or medical condition arising therefrom is caused by a mental condition as defined in 8 V.S.A. 4089b; or
- b. results from war or act of war; or
- c. results from voluntary participation in a felony, criminal activity, insurrection, or riot; or

- f. results from a sickness or injury arising out of or in the course of employment for wage or profit; except for sole proprietors and partners that do not carry Workers' Compensation coverage; or
- g. results from a cosmetic surgery or other elective procedures that are not medically necessary.

Section I - Claim Procedures

Article 1 - Notice of Claim

Written notice of claim must be given to The Principal within 20 calendar days after the date of loss for which claim is being made. Failure to give notice within the time specified will not invalidate or reduce any claim if notice is given as soon as reasonably possible.

Article 2 - Claim Forms

Claim forms and other information needed must be filed with The Principal in order to make a claim determination. The Policyholder will provide forms to assist the Member in filing claims. If notice is given and the completed forms are not provided within 15 days after The Principal receives such notice, the Member will be considered to have complied with the requirements of the Group Policy upon submitting, within the time specified below for filing proof of Disability, Written proof covering the occurrence, character, and extent of the loss.

Article 3 - Proof of Disability

Completed claim forms and other information needed to prove Disability should be filed promptly. Written proof that Disability exists and has been continuous should be sent to The Principal within 90 days after the date the Member completes an Elimination Period. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible.

Proof required includes the date, nature, and extent of the loss. Further proof that Disability has not ended must be sent when requested by The Principal. The Principal may request additional information to substantiate loss or require a Signed unaltered authorization to obtain that information from the provider, Internal Revenue Service, Social Security Administration or any other entity required for Proof of Disability or Earnings Documentation. Failure to comply with such request could result in declination of the claim. Receipt of claim will be considered met when the Elimination Period has been completed and the appropriate completed claim form is received by The Principal.

Article 3A - Documentation of Loss

The Principal must receive satisfactory Written proof of loss. Until The Principal receives the proof of loss requested, benefits will not be paid. Proof of loss may include:

PART IV - BENEFITS

- a. Any requested claim form including claim forms from the Member or the Member's Physician.
- b. Documentation that the Member is under Regular and Appropriate Care by a Physician.
- c. Copies of medical records, test results and/or Physician's progress notes.
- d. Occupation information, such as documentation of work duties and activities. This may include the Member's job description or appointment calendar from the Policyholder or the Member's current employer.
- e. Independent medical examination(s) (see Examinations and Evaluations in Article 13 below).
- f. Any Written authorizations necessary, signed by the Member, on a form supplied by The Principal, to obtain medical and financial records and information needed to determine the Member's eligibility for benefits.
- g. Earnings Documentation.
- h. Other proof of loss as required by The Principal.

Article 3B - Earnings Documentation

The Principal may require proof to determine the Member's Predisability Earnings and Current Earnings. A company representative has the right to examine the Member's financial and business records, including the Member's individual and business Federal income tax returns and supporting documentation, as often as The Principal may require. In addition, The Principal reserves the right to request such documentation to verify benefits were paid appropriately during the year. In the event benefits have not been paid appropriately, any overpayment of benefits determined would be recovered as outlined in Right to Recover Overpayments.

Article 3C - Investigation of Member's Claim

The Principal may conduct an investigation of the Member's claim at any time, which may include a personal interview with a company representative and/or an examination. Benefits may not be payable until The Principal has had a reasonable time to conduct an investigation of the Member's claim and determines benefits are payable.

Once the Member's claim is approved, no benefits will be continued beyond the end of the period for which the Member has provided The Principal with satisfactory proof of loss. The Principal will require the Member to provide additional documentation of the Member's claim at reasonable intervals while the Member is claiming Disability.

If the Member provides false, incomplete, or misleading information including omissions on any statement the Member makes to obtain coverage, an increase in coverage, or when filing a claim, The Principal will deny the claim. If the Member knowingly and with intent to injure, defraud, or deceive provided or omitted information, the Member will be subject to prosecution and punishment to the fullest extent under state and/or federal law.

Article 4 - Proof of Disability while outside the United States

If during a period of Disability, the Member is residing or staying outside the United States, the following will apply:

- a. The Member must provide proof that the Physician is a legally qualified medical practitioner according to the laws and regulations of the governing jurisdiction.
- b. The Member must notify The Principal in advance of any return to the United States and any change of address.

Failure to comply with the request of The Principal could result in declination of the claim. For purposes of satisfying the claims processing timing requirements, receipt of claim will be considered met when the Elimination Period has been completed and the appropriate claim form is received by The Principal.

In administering the benefits provided under the Group Policy, all Predisability Earnings and Current Earnings will be expressed in U.S. dollars and all premium and benefit amounts must be paid in U.S. dollars.

Article 5 - Payment, Denial and Review

Claims will normally be processed within 45 days from receipt of the claim. If a claim cannot be processed due to incomplete information, The Principal will send a Written explanation prior to the expiration of the 45 days. The claimant is then allowed 45 days to provide all additional information requested. The Principal is permitted two 30-day extensions for processing an incomplete claim. Written notification will be sent to the claimant regarding the extension.

State law requires that benefits payable under the Group Policy will be payable not more than 30 calendar days after receipt of proof and subject to proof of Disability. In actual practice, benefits under the Group Policy will be payable sooner, provided The Principal receives complete and proper proof of Disability. Further, if a claim is not payable or cannot be processed, The Principal will submit a detailed explanation of the basis for the denial.

The claimant may request an appeal of a claim denial by Written request to The Principal within 180 days of the receipt of notice of the denial. The Principal will make a full and fair review of the claim. The Principal may require additional information to make the review. The Principal will notify the claimant in Writing of the appeal decision within 45 days after receipt of the appeal request. If the appeal cannot be processed within the 45-day period because The Principal did not receive the requested additional information, The Principal will send a Written explanation prior to the expiration of the 45 days. The claimant is then allowed 45 days to provide all additional information requested. The Principal is permitted a 45-day extension for the review. Written notification will be sent to the claimant regarding the extension.

For purposes of this section, "claimant" means the Member.

Article 6 - Proof of Payments from Other Income Sources

When asked, the Member must give The Principal:

- a. proof of all payments from Other Income Sources; and
- b. proof of application for all such income for which the Member and the Member's Dependents are eligible; and
- c. proof that any application for such income has been rejected; and
- d. authorizations for any entity from which the Member may be receiving income.

Article 7 - Lump Sum Payments from Other Income Sources

If any income from Other Income Sources are payable in a lump sum (except as described below), the lump sum will be deemed to be paid in weekly amounts prorated over the time stated. If no such time is stated, the lump sum will be prorated weekly over the remaining Benefit Payment Period.

Lump Sum Payments under:

- a. a retirement plan will be deemed to be paid in the weekly amount which:

- (1) is provided by the standard annuity option under the plan as identified by the Policyholder; or
 - (2) is prorated under a standard annuity table over the remaining Benefit Payment Period (if the plan does not have a standard annuity option);
- b. a Workers' Compensation Act or other similar law (which includes benefits paid under an award or a settlement) will be deemed to be paid weekly starting from the date of the last Workers' Compensation payment issued to the Member, or if no previous payments were issued, starting from the onset of the Benefit Payment Period:
 - (1) at the rate stated in the award or settlement; or
 - (2) at the rate paid prior to the lump sum (if no rate is stated in the award or settlement); or
 - (3) at the maximum rate set by the law (if no rate is stated and the Member did not receive a periodic award).
- c. a salary continuance or sick leave program for Members whose annual contract salary is issued on a 12 month basis will be deemed to be paid in a weekly amount which is equal to (1/52) of the Member's annual contract salary in effect prior to the date Disability begins.

Any lump sum payment for Other Income Sources due prior to the date of the award will be treated as an overpayment. See Right to Recover Overpayments section below.

Article 8 - Social Security Estimates

Until exact amounts are known, The Principal may estimate the Social Security benefits for which the Member and Dependents are eligible and may include those estimates in the Member's Other Income Sources.

If it is reasonable that the Member would be entitled to disability benefits under the Federal Social Security Act, The Principal will require that the Member:

- a. apply for disability benefits within 10 days after receipt of Written notice from The Principal requesting the Member to apply for such benefits; and
- b. give satisfactory proof within 30 days after receipt of Written notice from The Principal that the Member has applied for these benefits within the 10-day period; and
- c. request reconsideration of the application for Social Security benefits if the original application is denied, and appeal any denial or reconsideration if an appeal appears reasonable.

If the Member has reached Social Security Normal Retirement Age, The Principal will:

- a. request the Member apply for retirement benefits within 10 days after receipt of Written notice from The Principal; or
- b. if the Member prefers not to apply for retirement benefits, estimate the Social Security benefits for which the Member is eligible and include those estimates in the Member's Other Income Sources.

Article 9 - Other Disability Coverage Estimates

Until exact amounts are known, The Principal may estimate benefits from Workers' Compensation, any other occupational disease law or similar act, Canadian Pension Plan, Quebec pension Plan, Railroad Retirement Act or other similar plan or act, Jones Act, or state compulsory/statutory benefit law for which the Member is eligible and may include those estimates in the Member's Other Income Sources.

If it is reasonable that the Member would be entitled to benefits under the sources listed above, The Principal will require that the Member:

- a. apply for benefits within 10 days after receipt of Written notice from The Principal requesting the Member to apply for such benefits; and
- b. give satisfactory proof within 30 days after receipt of Written notice from The Principal that the Member has applied for these benefits within the 10-day period.

Article 10 - Payments For Less Than a Full Week

The Benefit Payable for each day of any part of a Benefit Payment Period that is less than a full week will be the weekly benefit divided by seven.

Article 11 - Right to Recover Overpayments

If an overpayment of benefits occurs under the Group Policy, The Principal will have the option to:

- a. reduce or withhold any future benefits The Principal determines to be due, including the Minimum Weekly Benefit; or
- b. recover the overpayment directly from the Member; or
- c. take any other legal action.

Article 12 - Facility of Payment

Benefits under the Group Policy will be payable each week of a Benefit Payment Period, provided complete and proper Proof of Disability has been received by The Principal. The Principal will have the right to issue Benefits Payable in a lump sum amount.

Any unpaid balance that remains after a Benefit Payment Period ceases will be immediately payable.

The Principal will normally pay benefits directly to the Member. However, in the special instances listed below, payment will be as indicated. All payments so made will discharge The Principal to the full extent of those payments.

- a. If payment amounts remain due upon the Member's death, those amounts may, at the option of The Principal, be paid to the Member's spouse, child, or parent.
- b. If The Principal believes a person is not legally able to give a valid receipt for a benefit payment, and no guardian has been appointed, The Principal may pay whoever has assumed the care and support of the person.

If the Member has no eligible survivors, payment will be made to the Member's estate, unless there is none. In this case, no benefit will be payable.

Article 13 - Examinations and Evaluations

The Principal has the right to require the Member to undergo medical evaluations, including but not limited to, functional capacity evaluations, vocational evaluations, home visits, and/or psychiatric evaluations during the course of a claim or claim appeal. The examinations or evaluations will be performed by a Physician or evaluator The Principal chooses as appropriate for the condition and will be conducted at the time, place and frequency The Principal reasonably requires. The Principal will pay for these examinations and evaluations and will choose the Physician or evaluator to perform them. Failure to attend and fully complete a medical examination or cooperate with the Physician may be cause for suspension or denial of the Member's benefits. Failure to attend and fully complete an evaluation or to cooperate with the evaluator may also be cause for suspension or denial of the Member's benefits.

Article 14 - Legal Action

Legal action to recover benefits under this Group Policy may not be started earlier than 60 days after required Proof of Disability has been filed. Further, no legal action may be started later than three years after that proof is required to be filed.

If the Member's claim is subject to ERISA (Employee Retirement Income Security Act of 1974), before bringing a civil legal action under the federal labor law known as ERISA, the Member must exhaust available administrative remedies. Under this Group Policy, the Member must first exhaust the appeal procedures listed above. After the required reviews:

- a. the Member or the Member's beneficiary may bring legal action under Section 502(a) of ERISA; and
- b. The Principal will waive any right to assert that the Member failed to exhaust administrative remedies.

Article 15 - Time Limits

Any time limits listed in this section will be adjusted as required by law.
