

# Pay for Pediatric Dental Expenses with Your Health Reimbursement Arrangement

As an MVP Health Care® Small Group plan member, you can use your Health Reimbursement Arrangement (HRA) to pay for preventive, routine, and major pediatric dental services.

**To submit claims and receive reimbursement, follow these three simple steps.**

## Step 1

**Pay for your pediatric dental services out-of-pocket in full.**

## Step 2

**Submit your claim and your Explanation of Benefits (EOB) to the MVP Flexible Benefits Department in one of many ways:**

Online or Using the **myHealthSpend** Mobile App

Create a claim and upload your EOB at **[mvphealthcare.wealthcareportal.com](https://mvphealthcare.wealthcareportal.com)** or use the mobile app.

(MSG&DATA rates may apply)

## Mail

ATTN: FLEXIBLE BENEFITS DEPARTMENT  
MVP HEALTH CARE  
PO BOX 2207  
SCHENECTADY NY 12301-2207

## Email

**[myspendingaccounts@mvphealthcare.com](mailto:myspendingaccounts@mvphealthcare.com)**

Please include your MVP Member ID number in the body of the email, but not in the subject. To protect your personal health information, be sure to encrypt your email before you send it to MVP.

Note: If you also have Delta Dental's Pediatric plan, the claim will need to be submitted to Delta Dental before it is sent to the MVP Flexible Benefits Department.

After your claim and EOB are submitted, you will receive your reimbursement within 10–14 business days.

## Step 3

**Choose how you would like to receive reimbursements and check your account balances.**

Register at **[mvphealthcare.wealthcareportal.com](https://mvphealthcare.wealthcareportal.com)**.

Download the **myHealthSpend** app on your smartphone or tablet.

Call the MVP Flexible Benefits Department at **1-888-222-9931**.

**Every HRA is funded differently. Your employer will determine how your HRA is funded.**

If all or part of the deductible is funded, the HRA would reimburse you up to the funded amount for any service under the medical plan that applies to the deductible.

If co-pays and co-insurance are funded in addition to all or part of the deductible, the HRA would reimburse you for any service under the medical plan that applies to the deductible and/or co-pays and co-insurance up to the funding amount.
