

BENEFITS EDUCATION MADE EASY

With Cigna's Virtual Benefits Education Website, your employees can review benefits options online, at their convenience.

While smaller businesses* may have different needs, they all have one thing in common. They're powered by busy, productive employees.

How can you get everyone on the same page when it comes to open enrollment? Simple. With **Cigna's Virtual Benefits Education Website**, your employees will have access to details about the benefits being offered to them.

Advantages for you.

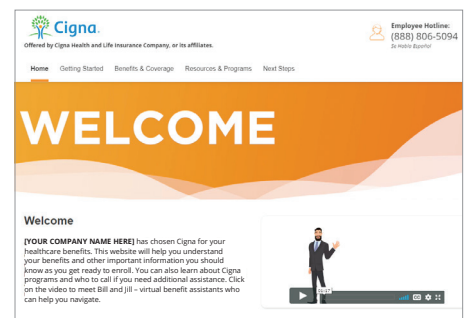

- › We'll personalize your benefits education website to match the specific Cigna administered benefits your company will offer, which may include medical, dental and vision.
- › You can save time and increase productivity by simply sharing the website link so employees can review the benefit options you're offering.

Now your employees can:

- › Conveniently review and compare Cigna-administered plan options you have chosen for them.
- › Watch informative videos (sample topics: "How Health Savings Accounts work" and "How to get prescriptions filled").
- › Have "Virtual Assistants" guide them through the website and help explain the different benefits being offered.
- › Get support anytime by calling Cigna's toll-free line.

Reach out to your Cigna representative for more information

- › More convenient than in-person open enrollment meetings
- › Tailored to the specific Cigna-administered plan options you select
- › Employees can review benefit options 24/7, on their computer, tablet, or smart phone
- › Includes medical, dental, and vision

Your customized website will include the name of your company.

Together, all the way.®
