TABLE OF CONTENTS

DEFINITIONS

As used throughout the Policy, the following terms shall have the meanings indicated below. Other parts of the Policy contain definitions specific to those provisions.

ACTIVE WORK or **ACTIVELY AT WORK** means an Employee's full-time performance of all Main Duties of his or her Own Occupation, for the regularly scheduled number of hours, at:

1. the Employer's usual place of business; or
2. any other business location where the Employer requires the Employee to travel.

Unless disabled on the prior workday or on the day of absence, an Employee will be considered Actively at Work on the following days:

1. a Saturday, Sunday or holiday that is not a scheduled workday;
2. a paid vacation day or other scheduled or unscheduled non-workday; or
3. a non-medical leave of absence of 12 weeks or less, whether taken with the Employer's prior approval or on an emergency basis.

This includes a Military Leave or an approved Family or Medical Leave that is **not** due to the Employee's own health condition.

ANNUAL SALARY means the Insured Employee's **BASIC MONTHLY EARNINGS or PREDISABILITY INCOME** multiplied by 12.

BASIC MONTHLY EARNINGS or **PREDISABILITY INCOME** means the Insured Employee's average monthly base salary or hourly pay from the Employer before taxes on the Determination Date. The **"Determination Date"** is the last day worked just prior to the date the Disability begins.

It does **not** include commissions, bonuses, overtime pay, or any other extra compensation. It does **not** include income from a source other than the Employer. It will not exceed the amount shown in the Employer's financial records, the amount for which premium has been paid, or the Maximum Covered Monthly Earnings permitted by the Policy; whichever is less. (Maximum Covered Monthly Earnings equals the Maximum Monthly Benefit divided by the Benefit Percentage shown in the Schedule of Benefits.) Exception: For purposes of determining the Partial Disability Monthly Benefit, Basic Monthly Earnings will not exceed the amount shown in the Employer's financial records.

COMPANY means The Lincoln National Life Insurance Company, an Indiana corporation. Its Group Insurance Service Office address is 8801 Indian Hills Drive, Omaha, Nebraska 68114-4066.

DAY or **DATE** means the period of time that begins at 12:01 a.m. and ends at 12:00 midnight, standard time, at the Policyholder's place of business. When used with regard to effective dates, it means 12:01 a.m. When used with regard to termination dates, it means 12:00 midnight.

DISABILITY or **DISABLED** means Total Disability or Partial Disability.

DISABILITY BENEFIT, when used with the term Retirement Plan, means a benefit that:

1. is payable under a Retirement Plan due to disability as defined in that plan; and
2. does not reduce the benefits that would have been paid as Retirement Benefits at the normal retirement age under the plan if the disability had not occurred.

If the payment of the benefit does cause such a reduction, the benefit will be deemed a Retirement Benefit as defined in the Policy.

ELIMINATION PERIOD means the number of days of Disability during which no benefit is payable. The Elimination Period is shown in the Schedule of Benefits. It applies as follows.

1. The Elimination Period:
   a. begins on the first day of Disability; and
   b. is satisfied when the required number of days is accumulated within a period which does not exceed two times the Elimination Period.

   During a period of Disability, the Insured Employee may return to full-time work, at his or her own or any other occupation, for an accumulated number of days not to exceed the Elimination Period.
2. Only days of Disability caused by the same or a related Sickness or Injury will count towards the Elimination Period. Days on which the Insured Employee returns to full-time work will not count towards the Elimination Period.

EMPLOYEE or **FULL-TIME EMPLOYEE or REGULAR PART-TIME EMPLOYEE** means a person:

1. whose employment with the Employer is the person's main occupation;
2. whose employment is for regular wage or salary, on a full-time or part-time basis;
3. who is regularly scheduled to work at such occupation at least the Minimum Hours shown in the Schedule of Benefits;
4. who is a member of an Eligible Class which is eligible for coverage under the Policy;
5. who is not a temporary or seasonal employee; and
6. who is a citizen of the United States or legally works in the United States.

EMPLOYER means the Policyholder. It includes any division, subsidiary or affiliated company named in the Application or Participation Agreement.

EVIDENCE OF INSURABILITY means a statement of proof of an Employee's medical history. The Company uses this to determine his or her acceptance for insurance or an increased amount of insurance. Such proof will be provided at the Employee's own expense.

FAMILY OR MEDICAL LEAVE means an approved leave of absence that:

1. is subject to the federal FMLA law (the Family and Medical Leave Act of 1993 and any amendments to it) or a similar state law;
2. is taken in accord with the Employer's leave policy and the law which applies; and
3. does not exceed the period approved by the Employer and required by that law.

Under the federal FMLA law, such leaves are permitted for up to 12 weeks in a 12-month period, as defined by the Employer. The 12 weeks:

1. may consist of consecutive or intermittent work days; or
2. may be granted on a part-time equivalency basis.

If an Employee is entitled to a leave under both the federal FMLA law and a similar state law, he or she may elect the more favorable leave (but not both). If an Employee is on an FMLA leave due to his or her own health condition on the date Policy coverage takes effect, he or she is not considered Actively at Work.

FULL-TIME, as it applies to the Partial Disability Monthly Benefit, means the average number of hours the Insured Employee was regularly scheduled to work, at his or her Own Occupation, during the month just prior to:

1. the date the Elimination Period begins; or
2. the date an approved leave of absence begins, if the Elimination Period begins while the Insured Employee is continuing coverage during a leave of absence.

INJURY means an accidental bodily Injury that:

1. requires treatment by a Physician; and
2. directly, and independently of all other causes, results in a Disability that begins while the Insured Employee is insured under the Policy.

INSURANCE MONTH or **POLICY MONTH** means that period of time:
1. beginning at 12:01 a.m. Standard Time, at the Policyholder's place of business on the first day of any calendar month; and
2. ending at 12:00 midnight on the last day of the same calendar month.

INSURED EMPLOYEE means an Employee for whom Policy coverage is in effect.

MAIN DUTIES or **MATERIAL AND SUBSTANTIAL DUTIES** means those job tasks that:
1. are normally required to perform the Insured Employee's Own Occupation; and
2. could not reasonably be modified or omitted.

To determine whether a job task could reasonably be modified or omitted, the Company will apply the Americans with Disabilities Act's standards concerning reasonable accommodation. It will apply the Act's standards, whether or not:
1. the Employer is subject to the Act; or
2. the Insured Employee has requested such a job accommodation.

An Employer's failure to modify or omit other job tasks does **not** render the Insured Employee unable to perform the Main Duties of the job.

Main Duties include those job tasks:
1. as described in the U.S. Department of Labor Dictionary of Occupational Titles; and
2. as performed in the general labor market and national economy.

Main Duties are **not** limited to those specific job tasks as performed for a certain firm or at a certain work site.

MEDICALLY APPROPRIATE TREATMENT means diagnostic services, consultation, care or services that are consistent with the symptoms or diagnosis causing the Insured Employee's Disability. Such treatment must be rendered:
1. by a Physician whose license and any specialty are consistent with the disabling condition; and
2. according to generally accepted, professionally recognized standards of medical practice.

MILITARY LEAVE means a leave of absence that:
1. is subject to the federal USERRA law (the Uniformed Services Employment and Reemployment Rights Act of 1994 and any amendments to it);
2. is taken in accord with the Employer's leave policy and the federal USERRA law; and
3. does not exceed the period required by that law.

MONTHLY BENEFIT means the amount payable monthly by the Company to the Insured Employee who is Totally Disabled or Partially Disabled.

OPEN ENROLLMENT PERIOD means a designated timeframe for eligible employees to elect coverage who did not enroll during their initial eligibility period or for employees with existing coverage under the Policy to elect additional benefit amounts. Evidence of insurability is not required during this period provided certain conditions are met as described in the Schedule of Benefits. Participation in an Open Enrollment Period does not change the Policy provisions related to Waiting Periods or Pre-Existing Condition Exclusions. Employees who have been previously declined for coverage or increased coverage may resubmit satisfactory evidence of insurability to apply for initial coverage or increased coverage during this Open Enrollment Period.

OWN OCCUPATION or REGULAR OCCUPATION means the occupation, trade or profession:
1. in which the Insured Employee was employed with the Employer prior to Disability; and
2. which was his or her main source of earned income prior to Disability.

It means a collective description of related jobs, as defined by the U.S. Department of Labor Dictionary of Occupational Titles. It includes any work in the same occupation for pay or profit, regardless of:
1. whether such work is with the Employer, with some other firm, or on a self-employed basis; or
2. whether a suitable opening is currently available with the Employer or in the local labor market.

OWN OCCUPATION PERIOD means a period during which an Insured Employee may be considered Disabled if unable to perform the Main Duties of his or her Own Occupation. This period is shown in the Schedule of Benefits.

PARTIAL DISABILITY or **PARTIALLY DISABLED** will be defined as follows.
1. During the Elimination Period and Own Occupation Period, it means that due to an Injury or Sickness the Insured Employee:
   a. is unable to perform one or more but not all of the Main Duties of his or her Own Occupation; or is unable to perform such duties full-time; and
   b. is engaged in Partial Disability Employment.
2. After the Own Occupation Period, it means that due to an Injury or Sickness the Insured Employee:
   a. is unable to perform one or more but not all of the Main Duties of any occupation which his or her training, education or experience will reasonably allow; or is unable to perform such duties full-time; and
   b. is engaged in Partial Disability Employment.

PARTIAL DISABILITY EMPLOYMENT means the Insured Employee is working at his or her Own Occupation or any other occupation; however, because of a Partial Disability:
1. the Insured Employee's hours or production is reduced;
2. one or more Main Duties of the job are reassigned; or
3. the Insured Employee is working in a lower-paid occupation.

During Partial Disability Employment, his or her current earnings:
1. must be at least 20% of Predisability Income; and
2. may not exceed the percentage specified in the Partial Disability Benefit section.

PHYSICIAN means:
1. a legally qualified medical doctor who is licensed to practice medicine, to prescribe and administer drugs, or to perform surgery; or
2. any other duly licensed medical practitioner who is deemed by state law to be the same as a legally qualified medical doctor.

The medical doctor or other medical practitioner must be acting within the scope of his or her license. He or she must be qualified to provide Medically Appropriate Treatment for the Insured Employee's disabling condition.

Physician does **not** include the Insured Employee or a relative of the Insured Employee receiving treatment. Relatives include:
1. the Insured Employee's spouse, siblings, parents, children and grandparents; and
2. his or her spouse's relatives of like degree.

POLICY means this group insurance Policy issued by the Company to the Policyholder.

POLICYHOLDER means the person, company, trust or other organization as shown on the Face Page of the Policy.

PREDISABILITY INCOME or **BASIC MONTHLY EARNINGS** means the Insured Employee's average monthly base salary or hourly pay from the Employer before taxes on the Determination Date. The **"Determination Date"** is the last day worked just prior to the date the Disability begins.

It does **not** include commissions, bonuses, overtime pay, or any other extra compensation. It does **not** include income from a source other than the Employer. It will not exceed the amount shown in the Employer's financial records, the amount for which premium has been paid, or the Maximum Covered Monthly Earnings permitted by the Policy; whichever is less. (Maximum Covered Monthly Earnings equals the Maximum Monthly Benefit divided by the Benefit Percentage shown in the Schedule of Benefits.) Exception: For purposes of determining the Partial Disability Monthly Benefit, Basic Monthly Earnings will not exceed the amount shown in the Employer's financial records.

REGULAR CARE OF A PHYSICIAN or **REGULAR ATTENDANCE OF A PHYSICIAN** means the Insured Employee:

1. personally visits a Physician, as often as medically required according to standard medical practice to effectively manage and treat his or her disabling condition; and
2. receives Medically Appropriate Treatment, by a Physician whose license and any specialty are consistent with the disabling condition.

REGULAR OCCUPATION or OWN OCCUPATION means the occupation, trade or profession:

1. in which the Insured Employee was employed with the Employer prior to Disability; and
2. which was his or her main source of earned income prior to Disability.

It means a collective description of related jobs, as defined by the U.S. Department of Labor Dictionary of Occupational Titles. It includes any work in the same occupation for pay or profit, regardless of:

1. whether such work is with the Employer, with some other firm, or on a self-employed basis; or
2. whether a suitable opening is currently available with the Employer or in the local labor market.

RETIREMENT BENEFIT, when used with the term Retirement Plan, means a benefit that:

1. is payable under a Retirement Plan either in a lump sum or in the form of periodic payments;
2. does not represent contributions made by an Insured Employee (Payments representing Employee contributions are deemed to be received over the Insured Employee's expected remaining life, regardless of when they are actually received.); and
3. is payable upon:
    a. early or normal retirement; or
    b. disability (if the payment does reduce the benefit which would have been paid at the normal retirement age under the plan, if disability had not occurred).

RETIREMENT PLAN means a defined benefit or defined contribution plan that:

1. provides Retirement Benefits to Employees; and
2. is not funded wholly by Employee contributions.

The term shall **not** include any 401(k), profit-sharing or thrift plan; informal salary continuance plan; individual retirement account (IRA); tax sheltered annuity (TSA); stock ownership plan; or a non-qualified plan of deferred compensation.

An Employer's Retirement Plan is deemed to include any Retirement Plan:

1. which is part of any federal, state, county, municipal or association retirement system; and
2. for which the Insured Employee is eligible as a result of employment with the Employer.

SICK LEAVE or **SALARY CONTINUANCE PLAN** means a plan that:

1. is established and maintained by the Employer for the benefit of Employees; and
2. continues payment of all or part of an Insured Employee's Predisability Income for a specified period after he or she becomes Disabled.

It does **not** include compensation the Employer pays an Insured Employee for work actually performed during a Disability.

SICKNESS means illness, pregnancy or disease.

TOTAL COVERED PAYROLL means the total amount of Basic Monthly Earnings for all Employees insured under the Policy.

TOTAL DISABILITY or **TOTALLY DISABLED** will be defined as follows.

1. During the Elimination Period and Own Occupation Period, it means that due to an Injury or Sickness the Insured Employee is unable to perform each of the Main Duties of his or her Own Occupation.
2. After the Own Occupation Period, it means that due to an Injury or Sickness the Insured Employee is unable to perform each of the Main Duties of any occupation which his or her training, education or experience will reasonably allow.

The loss of a professional license, an occupational license or certification, or a driver's license for any reason does **not**, by itself, constitute Total Disability.

WAITING PERIOD means the period of time an Employee must be employed in an eligible class with the Employer, before he or she becomes eligible to enroll for coverage under the Policy. The period of service must be continuous, except as explained in the Eligibility provision captioned Prior Service Credit Towards Waiting Period.

GENERAL PROVISIONS

ENTIRE CONTRACT. The entire contract between the parties shall consist of:

1. the Policy and any amendments to it;
2. the Policyholder's application (a copy of which is attached to the Policy);
3. any Participating Employers' applications or Participation Agreements; and
4. any individual applications of the Insured Employees.

In the absence of fraud, all statements made by the Policyholder and by Insured Employees are representations and not warranties. No statement made by an Insured Employee will be used to contest the coverage provided by the Policy, unless:

1. it is contained in a written statement signed by that Insured Employee; and
2. a copy of the statement has been furnished to that Insured Employee.

INCONTESTABILITY. Except for the non-payment of premiums, the Company may not contest the validity of the Policy after it has been in force for two years from its date of issue; and as to any Insured Employee, after his or her coverage has been in force for two years during his or her lifetime. This clause does not preclude, at any time, the assertion of defenses based upon:

1. the Policy's eligibility requirements, exclusions and limitations; and
2. other Policy provisions unrelated to the validity of coverage.

RESCISSION. The Company has the right to rescind any insurance for which Evidence of Insurability was required, if:

1. an Insured Employee incurs a claim during the first two years of coverage; and
2. the Company discovers that the Insured Employee made a Material Misrepresentation on his or her application.

A **"Material Misrepresentation"** is an incomplete or untrue statement that caused the Company to issue coverage that it would have disapproved, had it known the truth. **"To rescind"** means to cancel insurance back to its effective date. In that event, the Company will refund all premium paid for the rescinded insurance, less any benefits paid for the Insured Employee's claims. The Company reserves the right to recover any claims paid in excess of such premiums.

MISSTATEMENTS OF FACTS. If relevant facts about any person were misstated:

1. a fair adjustment of the premium will be made; and
2. the true facts will decide if and in what amount insurance is valid under the Policy.

If an Insured Employee's age has been misstated, any benefits shall be in the amount the paid premium would have purchased at the correct age.

POLICYHOLDER'S AGENCY. For all purposes of the Policy, the Policyholder acts on its own behalf or as the Employee's agent. Under no circumstances will the Policyholder be deemed the Company's agent.

CURRENCY. In administering the Policy:

1. all Predisability Income will be expressed in U.S. dollars; and
2. all premium and benefit amounts must be paid in U.S. dollars.

WORKERS' COMPENSATION OR STATE DISABILITY INSURANCE. The Policy does not replace or provide benefits required by:

1. Workers' Compensation laws; or
2. any state disability insurance plan laws.

ASSIGNMENT. The rights and benefits under this Certificate may not be assigned.

CLAIMS PROCEDURES

NOTE: With the Insured Employee's written permission, someone else may file a claim or request a review, on the Insured Employee's behalf.

NOTICE OF CLAIM. Written notice of claim must be given during the Elimination Period. The notice must be sent to the Company's Group Insurance Service Office. It should include:

1. the Insured Employee's name and address; and
2. the number of the Policy.

If this is not possible, written notice must be given as soon as it is reasonably possible.

CLAIM FORMS. When notice of claim is received, the Company will send claim forms to the Insured Employee. If the Company does not send the forms within 15 days, the Insured Employee may send the Company written proof of Disability in a letter. It should state the date the Disability began, its cause and degree. The Company will periodically send the Insured Employee additional claim forms.

PROOF OF CLAIM. The Company must be given written proof of claim within 90 days after the end of the Elimination Period. When it is not reasonably possible to give written proof in the time required, the claim will not be reduced or denied solely for this reason, if the proof is filed as soon as reasonably possible.
These time limits will not apply while an Insured Employee lacks legal capacity.

Proof of claim must be provided at the Insured Employee's own expense. It must show the date the Disability began, its cause and degree. Documentation must include:

1. completed statements by the Insured Employee and the Employer;
2. a completed statement by the attending Physician, which must describe any restrictions on the Insured Employee's performance of the duties of his or her Regular Occupation;
3. proof of any other income received;
4. proof of any benefits available from other income sources, which may affect Policy benefits;
5. a signed authorization for the Company to obtain more information; and
6. any other items the Company may reasonably require in support of the claim.

Proof of continued Disability, Regular Care of a Physician, and any Other Income Benefits affecting the claim must be given to the Company. This must be supplied within 45 days after the Company requests it. If it is not, benefits may be denied or suspended.

EXAMINATION. The Company may have the Insured Employee examined:

1. by a Physician, specialist or vocational rehabilitation expert of the Company's choice;
2. as often as reasonably required while a claim or appeal is pending.

Any such exam will be at the Company's expense.

The Company may determine that (in its opinion) the Insured Employee has:

1. failed to cooperate with an examiner;
2. failed to take an exam scheduled by the Company; or
3. postponed such an exam more than twice.

In that event, benefits may be denied or suspended, until the required exam is completed.

TIME OF PAYMENT OF CLAIMS. Benefits payable under the Policy will be paid immediately after the Company receives complete proof of claim and confirms liability. After that:

1. Any benefits will be paid monthly, during any period for which the Company is liable. If benefits are due for less than a month, they will be paid on a pro rata basis. The daily rate will equal 1/30 of the Monthly Benefit.
2. Any balance, which remains unpaid at the end of the period of liability, will be paid immediately after the Company receives complete proof of claim and confirms liability.

TO WHOM PAYABLE. All benefits are payable to the Insured Employee, while living. After his or her death, benefits will be payable as follows.

1. Any Survivor Benefit will be payable in accord with that section.
2. Any other benefits will be payable to the Insured Employee's estate.

If a benefit becomes payable to:

1. the Insured Employee's estate; or
2. a minor or any other person who is not legally competent to give a valid receipt;

then up to $1,000 may be paid to any relative of the Insured Employee that the Company finds entitled to payment. If payment is made in good faith to such a relative, the Company will not have to pay that benefit again.

NOTICE OF CLAIM DECISION. The Company will send the Insured Employee a written notice of its claim decision. If the Company denies any part of the claim, the written notice will explain:

1. the reason for the denial, under the terms of the Policy and any internal guidelines;
2. how the Insured Employee may request an internal or external review of the Company's decision; and
3. whether more information is needed to support the claim.

This notice will be sent within 15 days after the Company resolves the claim. It will be sent within 30 days after the Company receives the first proof of claim, if the first proof includes enough information to determine liability.

Delay Notice. The Company may need more than 15 days to process the claim, due to matters beyond its control. If so, an extension will be permitted. In that event, the Company will send the Insured Employee a written delay notice:

1. by the 15th day after receiving the first proof of claim; and
2. every 30 days after that, until the claim is resolved.

The notice will explain:

1. what additional information is needed to determine liability; and
2. when a decision can be expected.

If the Insured Employee does not receive a written decision by the 105th day after the Company receives the first proof of claim, there is a right to an immediate review, as if the claim was denied.

Exception: The Company may need more information from the Insured Employee to process a claim. If so, it must be supplied within 45 days after the Company requests it. The resulting delay will not count towards the above time limits for claim processing.

THE COMPANY'S INTERNAL REVIEW PROCEDURE. Within 180 days after receiving a denial notice, the Insured Employee may request a claim review by sending the Company:

1. a written request; and
2. any written comments or other items to support the claim.

The Insured Employee may review non-privileged information relating to the request for review. He or she may request copies of relevant documents and records. They will be supplied without charge, upon request.

For help in preparing an appeal, the claimant may contact the manager in charge of the Company's Internal Review Procedure at the following address: Appeals Manager, The Lincoln National Life Insurance Company, 8801 Indian Hills Drive, Omaha, Nebraska 68114-4066.
Toll-free phone number: 800-423-2765.

The Company will review the claim and send the Insured Employee a written notice of its decision. The notice will state the reasons for the Company's decision, under the terms of the Policy and any internal guidelines. If the Company upholds the denial of all or part of the claim, the notice will also describe:

1. any further appeal procedures available under the Policy;
2. the right to access relevant claim information; and
3. the right to request a state insurance department review, or to bring legal action.

If the denial was based upon medical judgment; then the notice will also:

1. include the name and credentials of the reviewer; and
2. offer to provide those of any health care professional consulted. They will be supplied without charge, upon request.

The notice will be sent within 30 days after the Company receives the request for review, if it is a first level appeal and includes enough information to review the denial. The notice will be sent within 60 days after the Company receives the request for review, if it is a second level appeal.

EXTERNAL REVIEW PROCEDURES. The Insured Employee may have other voluntary dispute resolution options, such as mediation. One way to find out what may be available is to contact:

1. the local U.S. Department of Labor Office; and
2. the state regulatory agency.

State Insurance Department. The Insured Employee has a right to contact the New Hampshire State Insurance Department for help, at any time. They may be contacted by:

1. writing the Insurance Department, 21 South Fruit Street, Suite 14, Concord, NH 03301;
2. phoning their toll-free Consumer Assistance phone line at 800-852-3416;
3. faxing their Consumer Fax at 603-271-1406; or
4. e-mailing them at Requests@ins.nh.gov.

A request for help should include the Insured Employee's name, mailing address, daytime phone number, and a brief description of the request. If a dispute with an insurance company is involved, it should also include the company's name, the Policy number and type of coverage (i.e., group term life, disability income or dental).

Exception: The Company may need more information from the Insured Employee to process an appeal. If so, it must be supplied within 45 days after the Company requests it. The resulting delay will not count towards the above time limits for appeal processing.

Claims Subject to ERISA (Employee Retirement Income Security Act of 1974). Before bringing a civil legal action under the federal labor law known as ERISA, an employee benefit plan participant or beneficiary must exhaust available administrative remedies. Under the Policy, the plan participant or beneficiary must first seek two administrative reviews of the adverse claim decision, in accord with this section. After the required reviews:

1. an ERISA plan participant or beneficiary may bring legal action under Section 502(a) of ERISA; and
2. the Company will waive any right to assert that he or she failed to exhaust administrative remedies.

RIGHT OF RECOVERY. If benefits have been overpaid on any short-term disability or long-term disability claim, full reimbursement to the Company is required within 60 days. If reimbursement is not made, the Company has the right to:

1. reduce future benefits and suspend payment of the Minimum Monthly Benefit under the Policy, until full reimbursement is made;
2. reduce benefits payable to the Insured Employee or his or her beneficiary under any group insurance policy issued by the Company, until full reimbursement is made; or
3. recover such overpayments from the Insured Employee or his or her estate.

Such reimbursement is required whether the overpayment is due to:

1. the Company's error in processing a claim;
2. the Insured Employee's receipt of Other Income Benefits;
3. fraud, misrepresentation or omission of relevant facts; or
4. any other reason.

LEGAL ACTIONS. No legal action to recover any benefits may be brought until 60 days after the required written proof of claim has been given. No such legal action may be brought more than three years after the date written proof of claim is required.

ELIGIBILITY

ELIGIBLE CLASSES. The classes of Employees eligible for insurance are shown in the Schedule of Benefits. The Company has the right to review and terminate any or all classes eligible under the Policy, if any class ceases to be covered by the Policy.

ELIGIBILITY DATE. An Employee becomes eligible for coverage provided by the Policy on the later of:
1. the Policy's date of issue; or
2. the date the Waiting Period is completed.

Prior Service Credit Towards Waiting Period. The Waiting Period is shown in the Schedule of Benefits. Prior service in an Eligible Class will apply toward the Waiting Period, when:
1. a former Employee is rehired within one year after his or her employment ends; or
2. an Employee returns from an approved Family or Medical Leave within:
   a. the 12-week leave period required by federal law; or
   b. any longer period required by a similar state law; or
3. an Employee returns from a Military Leave within the period required by federal USERRA law.

EFFECTIVE DATES

EFFECTIVE DATE. An Employee's initial amount of coverage becomes effective at 12:01 a.m. on the latest of:
1. the first day of the Insurance Month coinciding with or next following the date the Employee becomes eligible for the coverage;
2. the date the Employee resumes Active Work, if not Actively at Work on the day he or she becomes eligible;
3. the date the Employee makes written application for coverage and signs;
   a. a payroll deduction order, if the Employees pay any part of the Policy premium; or
   b. an order to pay premiums from the Employee's Flexible Benefits Plan account, if premiums are paid through such an account; or
4. the date the Company approves the Employee's Evidence of Insurability, if required.

Any increased or additional coverage becomes effective at 12:01 a.m. on the latest of:
1. the first day of the Insurance Month coinciding with or next following the date on which the Insured Employee becomes eligible for the increase, if Actively at Work on that day;
2. the date the Insured Employee resumes Active Work, if not Actively at Work on the day the increase would otherwise take effect; or
3. the date any required Evidence of Insurability is approved by the Company.

Any decrease will take effect on the day of the change, whether or not the Insured Employee is Actively at Work.

EVIDENCE OF INSURABILITY. Evidence of Insurability satisfactory to the Company must be submitted (at the Employee's expense) when:
1. an Employee makes written application for coverage (or an increased amount of coverage) more than 31 days after becoming eligible for the coverage;
2. an Employee makes written application to enroll for coverage after he or she has requested:
   a. to cancel insurance;
   b. to stop payroll deductions for the insurance; or
   c. to stop premium payments from the Flexible Benefits Plan account;
3. coverage is elected after the Employee has caused insurance to lapse, by failing to pay the required premium when due; or
4. optional, supplemental or voluntary coverage is elected in excess of any Guaranteed Issue Amounts shown in the Schedule of Benefits.

EFFECTIVE DATE FOR CHANGE IN ELIGIBLE CLASS. An Insured Employee may become a member of a different Eligible Class. Coverage under the different Eligible Class will be effective:

1. on the first day of the Insurance Month coinciding with or next following the date of the change;
2. except as stated in the Effective Date provision for increases or decreases.

REINSTATEMENT RIGHTS. If an Insured Employee's coverage terminates due to one of the following breaks in service, he or she will be entitled to reinstate the coverage upon resuming Active Work with the Employer within the required timeframe. "**Reinstatement**" or **"to reinstate"** means to re-enroll for Policy coverage, without satisfying a new Waiting Period or providing Evidence of Insurability. Reinstatement is available upon:

1. return from an approved Family or Medical Leave within:
   a. the 12-week period required by federal law; or
   b. any longer period required by a similar state law;
2. return from a Military Leave within the period required by federal USERRA law;
3. return from any other approved leave of absence within six months after the leave begins;
4. return within 12 months following a lay off; or
5. return within 12 months following termination of employment for any other reason.

To reinstate coverage, the Employee must apply for coverage or be re-enrolled within 31 days after resuming Active Work in an Eligible Class. The reinstated amount of insurance may not exceed the amount that terminated. Reinstatement will take effect on the date the Insured Employee returns to Active Work.

If the above conditions are met, then:

1. the months of leave will count towards any unmet Pre-Existing Condition Exclusion period; and
2. a new Pre-Existing Condition Exclusion will not apply to the reinstated amount of insurance.

A new Pre-Existing Condition Exclusion will apply to any increased amount of insurance.

INDIVIDUAL TERMINATION

INDIVIDUAL TERMINATION OF COVERAGE. An Insured Employee's coverage will terminate at 12:00 midnight on the earliest of:

1. the date the Policy or the Employer's participation terminates; but without prejudice to any claim incurred prior to termination;
2. the date the Insured Employee's Class is no longer eligible for insurance;
3. the date such Insured Employee ceases to be a member of an Eligible Class;
4. the last day of the Insurance Month in which the Insured Employee requests termination;
5. the last day of the Insurance Month for which premium payment is made on the Insured Employee's behalf;
6. the end of the period for which the last required premium has been paid;
7. with respect to a particular insurance benefit, the date the portion of the Policy providing that benefit terminates;
8. the date on which the Insured Employee's employment with the Employer terminates; unless coverage is continued as provided below; or
9. the date the Insured Employee enters the armed services of any state or country on active duty, except for duty of 30 days or less for training in the Reserves or National Guard. (If the Insured Employee sends proof of military service, the Company will refund any unearned premium.)

CONTINUATION RIGHTS. Ceasing Active Work results in termination of the Insured Employee's eligibility for insurance, but coverage may be continued as follows.

1. Disability. If an Insured Employee is absent due to Total Disability, or is engaged in Partial Disability Employment, coverage may be continued during:

a. the Elimination Period; provided the Company receives the required premium from the Employer; and
b. the period for which benefits are payable, without payment of premium.

Premium payments will be waived from the satisfaction of the Elimination Period until the end of the period for which benefits are payable. If coverage is to be continued following a period for which premiums were waived, premium payments must be resumed, as they become due.

2. Family or Medical Leave. If an Insured Employee goes on an approved Family or Medical Leave, and is **not** entitled to the more favorable continuation available during Disability, coverage may be continued, until the earliest of:

a. the end of the leave period approved by the Employer;
b. the end of the 12-week leave period required by federal law, or any more favorable period required by a similar state law;
c. the date the Insured Employee notifies the Employer that he or she will not return; or
d. the date the Insured Employee begins employment with another employer.

The required premium payments must be received from the Employer, throughout the period of continued coverage.

3. Military Leave. If an Insured Employee goes on a Military Leave, coverage may be continued for the same period allowed for an approved Family or Medical Leave. The required premium payments must be received from the Employer, throughout the period of continued coverage.

4. Lay-off or Other Leave. When an Insured Employee ceases work due to a temporary lay-off, or due to an approved leave of absence (other than an approved Family or Medical Leave or a Military Leave); coverage may be continued for three Insurance Months after the lay-off or leave begins. The required premium payments must be received from the Employer, throughout the period of continued coverage.

Conditions. In administering the above continuation, the Employer must not act so as to discriminate unfairly among Employees in similar situations. Insurance may **not** be continued when an Insured Employee ceases Active Work due to a labor dispute, strike, work slowdown or lockout.

INDIVIDUAL TERMINATION DURING DISABILITY. Termination of an Insured Employee's coverage during a Disability will have no effect on benefits payable for that period of Disability.

PORTABILITY

ELIGIBILITY. The Policy provides portability, when an Insured Employee's insurance under the Policy terminates because his or her employment with the Employer ends; provided:

(1) the Insured Employee is not Disabled, retired or on a leave of absence; and
(2) the Insured Employee was insured under the Employer's group long term disability plan for at least 12 months in a row, just prior to the date employment ended.

The 12 months may be a combination of coverage under the Policy, and under any prior group long term disability plan the Policy replaces.

APPLICATION. To continue insurance, written application and the first premium payment must be made within 31 days of the date insurance would otherwise end.

AMOUNT OF COVERAGE. The amount of continued insurance may not exceed the amount in force when employment ends. A former Employee may decrease the amount of continued insurance:

(1) at any time during the continuation period;
(2) by completing a request form supplied by the Company.

The decrease will take effect on the first day of the Insurance Month after the Company receives the request.

PAYMENT OF PREMIUM. Timely payment of premium must be made directly to the Company, throughout the period of continued insurance. The required premium will equal:

(1) the group rate in effect when employment ends; plus
(2) a direct billing fee based upon the premium frequency chosen.

The premium frequency may be changed by sending the Company advance written request on forms supplied by the Company. Such request may be sent at any time while continued insurance is in force; but not during a Grace Period.

TERMINATION OF COVERAGE. Continued insurance will end on the earliest of:

(1) the date insurance has been continued for 12 months;
(2) the date the Policy terminates; but without prejudice to any claim incurred prior to termination;
(3) the end of the period for which premium has been paid;
(4) the date the Insured Employee retires;
(5) the date the Insured Employee enters the armed services of any state or country on active duty (If the Insured Employee sends proof of military service, the Company will refund any unearned premium); or
(6) the date the Insured Employee is covered under any other group long term disability plan.

TOTAL DISABILITY MONTHLY BENEFIT

BENEFIT. The Company will pay a Total Disability Monthly Benefit to an Insured Employee, after the completion of the Elimination Period, if he or she:

1. is Totally Disabled;
2. becomes Disabled while insured for this benefit;
3. is under the Regular Care of a Physician; and
4. at his or her own expense, submits proof of continued Total Disability and Physician's care to the Company upon request.

The Total Disability Monthly Benefit will cease on the earliest of:

1. the date the Insured Employee ceases to be Totally Disabled or dies;
2. the date the Maximum Benefit Period ends; or
3. the date the Insured Employee is able, but chooses not to engage in Partial Disability Employment:
   a. in his or her Own Occupation, during the Own Occupation Period; or
   b. in any occupation, after the Own Occupation Period.

Proportional benefits will be paid for a partial month of Total Disability.

At the Company's option, Total Disability Monthly Benefit payments may also be denied or suspended on any of the following dates:

1. the date the Insured Employee (without good cause):
   a. fails to take a required medical exam;
   b. fails to cooperate with the examiner; or
   c. postpones a required exam more than twice;
2. the 45th day after the Company mails a request for additional proof, if not given; or
3. the 45th day after the Company mails a request for proof of the Insured Employee's application for any Other Income Benefits to which he or she may be entitled, if not given.

AMOUNT. The amount of the Total Disability Monthly Benefit equals:

1. the Insured Employee's Basic Monthly Earnings multiplied by the Benefit Percentage (limited to the Maximum Monthly Benefit); minus
2. Other Income Benefits.

The amount of the Total Disability Monthly Benefit will not be less than the Minimum Monthly Benefit, unless the Minimum Monthly Benefit plus Other Income Benefits would exceed 100% of the Insured Employee's Basic Monthly Earnings.

The Benefit Percentage, Maximum Monthly Benefit, Minimum Monthly Benefit, and Maximum Benefit Period are shown in the Schedule of Benefits.

PARTIAL DISABILITY MONTHLY BENEFIT

BENEFIT. The Company will pay a Partial Disability Monthly Benefit to an Insured Employee, after completion of the Elimination Period, if he or she:

1. is Disabled;
2. becomes Disabled while insured for this benefit;
3. is engaged in Partial Disability Employment;
4. is earning at least 20% of Predisability Income when Partial Disability Employment begins;
5. is under the Regular Care of a Physician; and
6. at his or her own expense, submits proof of continued Partial Disability, Physician's care and reduced earnings to the Company upon request.

The Insured Employee does not have to be Totally Disabled prior to receiving Partial Disability Monthly Benefits. The Elimination Period may be satisfied by days of Total Disability, Partial Disability or any combination of these.

The Partial Disability Monthly Benefit will cease on the earliest of:

1. the date the Insured Employee ceases to be Partially Disabled or dies;
2. the date the Maximum Benefit Period ends;
3. the date the Insured Employee earns more than:
   a. 99% of Predisability Income, until Partial Disability Monthly Benefits have been paid for 24 months for the same period of Disability; or
   b. 85% of Predisability Income, after Partial Disability Monthly Benefits have been paid for 24 months for the same period of Disability;
4. the date the Insured Employee is able, but chooses not to work full-time:
   a. in his or her Own Occupation, during the Own Occupation Period; or
   b. in any occupation, after the Own Occupation Period.

Proportional benefits will be paid for a partial month of Partial Disability.

At the Company's option, Partial Disability Monthly Benefit payments may also be denied or suspended on any of the following dates:

1. the date the Insured Employee (without good cause):
   a. fails to take a required medical exam;
   b. fails to cooperate with the examiner; or
   c. postpones a required exam more than twice;
2. the 45th day after the Company mails a request for additional proof, if not given; or
3. the 45th day after the Company mails a request for proof of the Insured Employee's application for any Other Income Benefits to which he or she may be entitled, if not given.

PARTIAL DISABILITY MONTHLY BENEFIT
(Continued)

BENEFIT AMOUNT. The Partial Disability Monthly Benefit will replace the Insured Employee's Lost Income; provided it does not exceed the Total Disability Monthly Benefit, which would otherwise be payable during Total Disability without the Partial Disability Employment.

Thus, the amount of the Partial Disability Monthly Benefit will equal the lesser of A or B below.

A. LOST INCOME: The Insured Employee's Predisability Income, minus all Other Income Benefits (including earnings from Partial Disability Employment).

B. TOTAL DISABILITY MONTHLY BENEFIT otherwise payable:
   1. The Insured Employee's Predisability Income multiplied by the Benefit Percentage (limited to the Maximum Monthly Benefit); minus
   2. Other Income Benefits, except for earnings from Partial Disability Employment.

The Partial Disability Monthly Benefit will never be less than the Minimum Monthly Benefit. The Benefit Percentage, Maximum Monthly Benefit, Minimum Monthly Benefit, and Maximum Benefit Period are shown in the Schedule of Benefits.

Progressive Calculation

OTHER INCOME BENEFITS

OTHER INCOME BENEFITS means benefits, awards, settlements or Earnings from the following sources. These amounts will be offset, in determining the amount of the Insured Employee's Monthly Benefit. Except for Retirement Benefits and Earnings, these amounts must result from the same Disability for which a Monthly Benefit is payable under the Policy.

Workers' Compensation. Any benefits for which the Insured Employee is eligible under a law that compensates for job related Injury or Sickness. This includes:

1. any Workers' Compensation or occupational disease law;
2. the Jones Act;
3. the Longshoreman's and Harbor Worker's Act;
4. the Maritime Doctrine of Maintenance, Wages or Cure; or
5. any plan provided in place of one of the above plans.

It includes any benefits for partial or total disability, whether temporary or permanent. It also includes any benefits for vocational rehabilitation.

Other Compulsory Benefits. Any disability income benefits the Insured Employee is eligible to receive under any other compulsory benefit act or law. This includes (but is not limited to):

1. state temporary disability income benefit laws;
2. state no fault auto insurance laws; or
3. any other compulsory benefit act or law.

Other Insurance Plans. Any disability income benefits for which the Insured Employee is eligible under:

1. any other group insurance plan (except credit or mortgage insurance); or
2. any no fault auto plan.

Employee Benefit Plans. Any disability income benefits for which the Insured Employee is eligible under the Employer's Sick Leave or Salary Continuance Plan. This does **not** include vacation pay, severance pay or pay for work actually performed during a Disability.

Employer's Retirement Plan. Any Disability Benefits or Retirement Benefits the Insured Employee receives under the Employer's Retirement Plan.

Social Security and other Government Retirement Plans. The following Social Security or other Government Retirement Plan benefits will be offset:

1. **disability benefits** for which the Insured Employee is eligible; and for which any spouse or child is eligible, because of the Insured Employee's Disability;
2. **unreduced retirement benefits** for which the Insured Employee is eligible; and for which any spouse or child is eligible, because of the Insured Employee's eligibility for unreduced retirement benefits; or
3. **reduced retirement benefits** actually received by the Insured Employee; and by any spouse or child, because of the Insured Employee's receipt of reduced retirement benefits.

As used above, **"Government Retirement Plans"** include disability and retirement benefits under:

1. the federal Social Security Act, Jones Act or Railroad Retirement Act;
2. the Canada Pension Plan or Quebec Pension Plan;
3. any similar plan or act of any country, state, province or other political unit; or
4. any plan provided in place of one of the above plans.

"Earnings", as used in this provision, means pay the Insured Employee earns or receives from any occupation or form of employment, as reported for federal income tax purposes. Earnings include (but are not limited to) a:

1. salaried or hourly Employee's gross earnings (shown on Form W-2); including:
   a. wages, tips, commissions, bonuses and overtime pay; and
   b. any pre-tax contributions to a Section 125 Plan, flexible spending account, or qualified deferred compensation plan;
2. proprietor's net profit (figured from Form 1040, Schedule C);
3. professional corporation shareholder's net profit (figured from Form 1040, Schedule C);
4. partner's net earnings from self-employment (shown on Schedule K-1) and any W-2 earnings; and
5. Subchapter S Corporation shareholder's net earnings from trade or business activities (shown on Schedule K-1).

Exceptions. The following will **not** be considered Other Income Benefits, and will not be offset in determining the Monthly Benefit:

1. a cost-of-living increase in any Other Income Benefit (except Earnings); if it takes effect after the first offset for that benefit during a period of Disability;
2. reimbursement for hospital, medical or surgical expense;
3. reimbursement for attorney fees and other reasonable costs of claiming Other Income Benefits;
4. group credit or mortgage disability insurance benefits;
5. early retirement benefits that are not elected or received under the federal Social Security Act or other Government Retirement Plan;
6. any amounts under the Employer's Retirement Plan that:
   a. represent the Insured Employee's contributions; or
   b. are received upon termination of employment without being disabled or retired;
7. benefits from a 401(k), profit-sharing or thrift plan; an individual retirement account (IRA); a tax sheltered annuity (TSA); a stock ownership plan; or a non-qualified plan of deferred compensation;
8. vacation pay, holiday pay, or severance pay; or
9. disability income benefits under any individual policy, association group plan, franchise plan, or auto liability insurance policy (except no fault auto insurance).

RULES FOR OTHER INCOME BENEFIT OFFSETS. If the Insured Employee may be entitled to Other Income Benefits that affect Policy benefits, the following rules will apply.

Claiming Other Income Benefits. An Insured Employee who may be entitled to some Other Income Benefit is required to actively pursue it. For example, if benefits may be payable under the federal Social Security Act, the Insured Employee:

1. must apply for such benefits on a timely basis;
2. must file a request for reconsideration, if benefits are denied; and
3. must request a hearing before an Administrative Law Judge, if denied again (unless the Company waives this in writing).

An Employer whose Insured Employee may be entitled to Workers' Compensation or similar benefits is also required to cooperate in filing that claim. If the Insured Employee fails to pursue Other Income Benefits on a timely basis, the Company has the option to:

1. deny or suspend Monthly Benefits; or
2. reduce Monthly Benefits by an estimated amount.

Estimating Offsets. While a claim for Social Security or other Government Retirement Plan benefits is pending, the Insured Employee must elect one of the following options in writing. (If no written election is made, Monthly Benefits will be reduced in accord with Option 1.)

1. **Reduced Monthly Benefits.** The Insured Employee may receive Monthly Benefits reduced by estimated Social Security or other Government Retirement Plan benefits. The Company will adjust Policy benefits and will refund any underpayment, in a lump sum, upon receiving proof of:
   a. the amount actually awarded; or
   b. the claim denial and completion of any appeal the Company requires.

2. **Unreduced Monthly Benefits.** The Insured Employee may receive unreduced Monthly Benefits while the claim is pending. He or she must agree in writing to promptly refund any overpayment that results, in a lump sum, upon receiving Social Security or other Government Retirement Plan benefits. If he or she does not promptly refund an overpayment:
   a. the Company will reduce or eliminate future payments; and
   b. the Minimum Monthly Benefit will not apply, until the amount is repaid.

Lump Sum Payments. Other Income Benefits that are paid in a lump sum will be pro rated as follows.
1. The lump sum will be pro rated on a monthly basis, over the time period for which it is given.
2. If no time period is stated, the Company will continue its estimated monthly offset for that benefit, until full amount is offset.
3. If no estimated monthly offset was being made for that benefit, the lump sum will be pro rated on a monthly basis over a reasonable time period. It will not exceed 60 months or the Maximum Benefit Period (whichever occurs first).

Cost-of-Living Freeze. After the first deduction for each of the Other Income Benefits (except Earnings), its amount will be frozen. The Monthly Benefit will not be further reduced due to any cost-of-living increases payable under these Other Income Benefits.

RECURRENT DISABILITY

"Recurrent Disability" means a Disability caused by an Injury or Sickness that is the same as, or related to, the cause of a prior Disability for which Monthly Benefits were payable. A Recurrent Disability will be treated as follows.

1. **New Disability.** A Recurrent Disability will be treated as a new Disability, if the Recurrent Disability begins after the Insured Employee returns to his or her Own Occupation with the Employer:
   a. on a full-time basis working at least the Minimum Number of Hours Per Week as shown in the Schedule of Benefits; and
   b. for six consecutive months or more following the date the prior Disability benefits ended.

   A new Elimination Period must be completed before further Monthly Benefits become payable. A new Maximum Benefit Period will apply.

2. **Prior Disability.** A Recurrent Disability will be treated as part of the prior Disability, if the Recurrent Disability begins after the Insured Employee returns to his or her Own Occupation with the Employer:
   a. on a full-time basis working at least the Minimum Number of Hours Per Week as shown in the Schedule of Benefits; but
   b. for less than six consecutive months following the date the prior Disability benefits ended.

   The completion of a new Elimination Period is not required before further Monthly Benefits become payable. The same Maximum Benefit Period will apply to the Recurrent Disability as to the prior Disability. The Predisability Income used in determining the prior Disability benefit will apply as well.

   In addition, a Recurrent Disability will be treated as a prior Disability if all of the subsequent events occur in less than six consecutive months following the date the prior Disability benefits end under the Policy:
   a. a job opening is not available for the Insured Employee to return to work with the Employer;
   b. the Insured Employee's coverage under the Policy terminates;
   c. the former Employee returns to his or her Own Occupation with a new employer on a full-time basis working at least the Minimum Number of Hours Per Week as shown in the Schedule of Benefits;
   d. benefits are not payable under any other group long-term disability plan; and
   e. a Recurrent Disability begins.

   Benefits for the former Employee will be reinstated for the Recurrent Disability and the completion of a new Elimination Period will not be required before further Monthly Benefits become payable. The same Maximum Benefit Period, Exclusions, and Limitations will apply to the Recurrent Disability as to the prior Disability. The Predisability Income used in determining the prior Disability benefit will apply as well. Benefits reinstated under this provision are subject to the Policy's terms and conditions that were in effect at the time the prior Disability began.

To qualify for a Monthly Benefit, the Insured Employee or former Employee must earn less than the percentage of Predisability Income specified in the Partial Disability Monthly Benefit section. Monthly Benefit payments will be subject to all other terms of the Policy that applied to the prior Disability.

This Recurrent Disability provision will cease to apply to an Insured Employee or former Employee who becomes eligible for coverage under any other group long-term disability plan.

PROGRESSIVE INCOME BENEFIT

EFFECTIVE DATE. An Insured Employee will become insured for the Progressive Income Benefit on:
1. the effective date of his or her coverage for Long Term Disability Benefits under the Policy; or
2. the effective date of this provision, if it is added later by amending the Policy.

Exception: The effective date will be delayed for an Insured Employee who is unable to perform one or more Activities of Daily Living or suffers from a Cognitive Impairment on that date. In that event, the Insured Employee will become insured for this benefit on the first day he or she:
1. is able to safely and completely perform all of the Activities of Daily Living without another person's active, hands-on help; or
2. no longer suffers from a Cognitive Impairment.

BENEFIT. After completion of the Elimination Period shown in the Schedule of Insurance, the Company will pay an additional monthly benefit to an Insured Employee; if he or she:
1. is receiving Total Disability or Partial Disability Monthly Benefits under the Policy; and
2. submits proof of suffering the Loss of Activities of Daily Living or a Cognitive Impairment (as defined below).

Proof must be submitted at the Insured Employee's own expense.

AMOUNT. The amount of the Progressive Income Benefit:
1. will equal 10% of the Insured Employee's Basic Monthly Earnings; but
2. will not exceed the Maximum Monthly Benefit for Long Term Disability Benefits, or $5,000 per month (whichever is less).

The Maximum Monthly Benefit for Long Term Disability Benefits is shown in the Schedule of Insurance. The Progressive Income Benefit will not be reduced by any Other Income Benefits, or by earnings from any form of employment.

DURATION. This Progressive Income Benefit will cease on the earliest of:
1. the date the Insured Employee no longer suffers from the Loss of Activities of Daily Living or Cognitive Impairment (as defined below);
2. the date the Insured Employee is no longer entitled to Total Disability or Partial Disability Monthly Benefits under the Policy;
3. the date the Maximum Benefit Period ends; or
4. the date the Insured Employee dies.

If the Policy includes a Family Income Benefit, the amount paid to the Eligible Surviving Spouse or Children will not increase due to the Insured Employee's receipt of this Progressive Income Benefit.

DEFINITIONS

"Loss of Activities of Daily Living" means that, due to an Injury or Sickness, the Insured Employee has lost the ability to safely and completely perform **two or more** of the following six Activities of Daily Living without another person's active, hands-on help with all or most of the activity.

The six Activities of Daily Living are:
1. **Bathing** - washing self in a tub, in a shower or by sponge bath; with or without equipment.

"Cognitive Impairment" means that due to an Injury or Sickness, the Insured Employee:

1. has suffered a permanent deterioration or loss of cognitive or intellectual capacity; and
2. requires another person's active, hands-on help or verbal cues to prevent harm to self or others, due to that impairment.

The impairment must be diagnosed by a Physician, based upon clinical evidence and reliable standardized tests of short or long-term memory; orientation as to person, place and time; and deductive or abstract reasoning. It may result from moderate to severe head trauma, stroke, Alzheimer's disease or other form of irreversible dementia.

"Mental Sickness," as used in this provision, means any emotional, behavioral, psychological, personality, adjustment, mood or stress-related abnormality, disorder, disturbance, dysfunction or syndrome; regardless of its cause. It includes, but is not limited to:

1. schizophrenia or schizoaffective disorder;
2. bipolar affective disorder, manic depression, or other psychosis; and
3. obsessive-compulsive, depressive, panic or anxiety disorders.

These conditions are usually treated by a psychiatrist, a clinical psychologist or other qualified mental health care provider. Treatment usually involves psychotherapy, psychotropic drugs or similar methods of treatment.

Mental Sickness does **not** include irreversible dementia resulting from stroke; trauma; viral infection; Alzheimer's disease; or other conditions which are not usually treated by a mental health care provider using psychotherapy, psychotropic drugs, or similar methods of treatment.

"Pre-Existing Condition," as used in this provision, means a Sickness or Injury for which the Insured Employee received treatment within 3 months prior to his or her effective date for this benefit. Treatment includes a Physician's consultation, care and services; diagnostic measures; and the prescription, refill or taking of prescribed drugs or medicines.

2. due to intentionally self-inflicted injuries;
3. due to active participation in a riot;
4. due to the Insured Employee's participation in a felony;

PRE-EXISTING CONDITION EXCLUSION. The Policy will not cover any Total or Partial Disability:

"Pre-Existing Condition" means a Sickness or Injury for which the Insured Employee received treatment within 3 months prior to the Insured Employee's Effective Date.

"Treatment" means consultation, care or services provided by a Physician. It includes diagnostic measures and the prescription, refill of prescription, or taking of any prescribed drugs or medicines.

SPECIFIED INJURIES OR SICKNESSES LIMITATION

SUMMARY OF THE 1996 NEW HAMPSHIRE LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT (RSA 408-B)
AND
NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS

Residents of New Hampshire who purchase life insurance, health insurance, and annuities should know that the insurance companies licensed in New Hampshire to write these types of insurance are members of the New Hampshire Life and Health Insurance Guaranty Association. The purpose of this Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its policy obligations. If this should happen, the Association will assess its other member insurance companies for the money to pay the covered claims of policyholders who live in New Hampshire and, in some cases, to keep coverage in force. This protection is not a substitute for consumers' care in selecting companies that are well managed and financially stable. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however, as noted below.

IMPORTANT DISCLAIMER

The New Hampshire Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in New Hampshire. Other conditions may preclude coverage.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. **However, insurance companies and their agents are prohibited by law from using the existence of the Association to induce you to purchase any kind of insurance policy.**

SUMMARY:

The 1996 state law that provides for this safety-net coverage is called the New Hampshire Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverage, exclusions and limits. This summary does not cover all provisions of the law and it does not in any way change one's rights or obligations under the Act or the rights or obligations of the Association.

COVERAGE:

Generally, individuals will be protected by the New Hampshire Life and Health Insurance Guaranty Association if they live in this state and hold a life or health insurance policy or an annuity contract, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, assignees or payees of insured persons are protected as well, even if they live in another state. Coverage provided under the current, amended Act may be different from coverage provided prior to 1996, as coverage is determined by the governing Act in effect on the date that the Association becomes obligated.

EXCLUSIONS FROM COVERAGE:

Persons holding such policies or contracts are NOT protected by this Association if:

- they are not residents of the state of New Hampshire, except under certain very specific circumstances;
- they are eligible for protection under the laws of another state; or
- their policy was issued by a nonprofit hospital or medical service organization, an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or any entity that operates on an assessment basis, an insurance exchange, or any entity similar to any of the above.

The Association also does NOT provide coverage for:

- any policy or portion of a policy or contract not guaranteed by the insurer or under which the risk is borne by the policy holder or contract holder;
- any policy or contract of reinsurance, unless assumption certificates have been issued;
- interest rate guarantees that exceed certain statutory limitations;
- any plan or program of an employer, association, or similar entity to provide life, health , or annuity benefits to its employees or members to the extent that the plan or program is self-funded or uninsured, including, but not limited to, benefits payable by an employer, association, or similar entity;
- dividends, experience rating credits, or fees for services in connection with an insurance policy;
- any policy or contract issued in this state by an insurer at a time when it was not licensed or authorized to do business in New Hampshire;
- any unallocated annuity contract issued to an employee benefit plan protected under the federal Pension Benefit Guaranty Corporation;
- any portion of any unallocated annuity contract which is not issued to or in connection with a specific employee, union, or association of natural persons benefit plan or a government lottery;
- any portion of a policy or contract to the extent that the required assessments are preempted by federal or state law;
- a portion of a policy or contract to the extent it provides for interest or other changes in value to be determined by the use of an index or other external reference stated in the policy or contract, but which have not been credited to the policy or contract, or as to which the policy or contract owner's rights are subject to forfeiture, as of the date of the member insurer becomes an impaired or insolvent insurer under this chapter, whichever is earlier; or
- a policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to Part C or Part D of subchapter XVIII, chapter 7 of Title 42 of the United States Code, commonly known as Medicare Part C and D, or any regulations issued pursuant thereto.

LIMITS ON AMOUNT OF COVERAGE:

The Act also limits the amount the Association is obligated to pay. The Association cannot pay more than what the insurance company would owe under a policy or contract.

With respect to any one life, the Association will pay a maximum of $300,000 no matter how many policies and contracts there were with the same company, even if they provided different types of coverages, except with respect to benefits for basic hospital, medical and surgical insurance and major medical insurance in which case the aggregate liability of the Association shall not exceed $500,000 with respect to any one individual. For life insurance benefits the Association will not pay more than $300,000 in life insurance death benefits and will not pay more than $100,000 in net cash surrender or withdrawal values. For health insurance benefits the Association will not pay more than $100,000 in health insurance benefits not defined as disability insurance or basic hospital, medical and surgical insurance or long-term care insurance, $300,000 in disability coverage, $300,000 in long-term care benefits, and $500,000 for basic hospital medical and surgical insurance or major medical insurance. For annuity benefits the Association will not pay more than $250,000 in present value of annuity benefits, including net cash surrender or withdrawal values.

The limit of coverage to one owner of multiple non-group policies of life insurance is $5,000,000. With respect to any one contract holder of an unallocated annuity contract, not including a governmental retirement plan established under Section 401, 403(b) or 457 of the U.S. Internal Revenue Code, the Association will pay a maximum of $5,000,000 in benefits, irrespective of the number of such contracts held by that contract holder.

ADDITIONAL INFORMATION:

Policyholders should contact the New Hampshire Insurance Department with questions they may have with regard to concerns about their rights under the Act and procedures for filing a complaint to allege a violation of the Act.

Policyholders may contact the New Hampshire Insurance Department for sources of information about the financial condition of insurers.
