

# CIGNA MEDICAL VACCINE PROGRAM

## Bring this handy list to the pharmacy

Under your plan, you may be able to get the seasonal flu shot – as well as other vaccines – at your local retail pharmacy. Vaccines are covered under your medical benefit.\*

Pharmacies sometimes have trouble submitting claims covered under the medical benefit. They often need additional information, like the Bank Identification Number (BIN) and/or Process Control Number (PCN). Below is a list of pharmacies and the BIN and PCN numbers they need to submit your claim. Bring this list with you the next time you go to the pharmacy to get a flu shot or vaccine. Your pharmacist can use this information if he or she has a problem submitting your claim.

+ Plans vary so check your plan materials for details, including a current list of covered vaccinations and the pharmacies included in your specific plan's network. Most immunizations for travel are generally not covered. If you use an out-of-network pharmacy, services may not be covered or may be subject to your plan's copayment, coinsurance or deductible requirements.
